Annual Community Fireworks Display Canvass On Tuesday, May 7

Event To Be Sponsored By Stirling Legion on Monday, May 20th, at Fair Grounds

The Stirling Branch, Royal Canadian Legion is again sponsoring a big display of fireworks in celebration of Victoria Day, on Monday, May 20th.

A two-fold purpose is served by this Legion activity. The traditional celebration of the May 24th holiday and the elimination of a lot of irresponsible lighting of fireworks in the village, with the consequent fire hazard. Parents can take the family to the one big show, outside the village, and enjoy the fireworks in safety.

In the past, this project has enjoyed the enthusiastic support of the community and Legion members are again canvassing to promote the sale of \$1.00 tickets, which will cover entrance and parking at the show.

Tickets are also on sale at Noble's Drugs, Patterson's Men's Wear, Wells Motors and Montgomery's Service Station.

All citizens are urged to support this annual event to the extent of purchasing a ticket and help to ensure the proper supervision of the fireworks. A real bang-up show is planned.

Red Shield Campaign

This week marks the start of The Salvation Army's Red Shield Campaign across Canada. Thousands will be sharing what they have with those who have less, through this great National Campaign. It's not only one appeal — it is many, for many are the services in this and other communities across this affluent nation. There is no area of human need ignored by The Salvation Army. You may not know the girl who left home because she was ashamed and frightened, or the boy who might be in reform school instead of a Salvation Army home — but there are lots of them. Broken homes and shattered lives are healed and mended by your dollars shared with and given to the Red Shield. This week choose a red letter day — choose a Red Shield day — make your choice a day for sharing and helping The Salvation Army help others.

Three-Day Festival of Sacred Praise To Start Monday, May 6th

Next week is "Music Week" in Stirling. All roads lead to St. Paul's United Church where the 18th Annual Stirling Festival of Sacred Praise is to be held.

Mrs. Patricia Blomfield Holt, of Toronto, will be adjudicating the Piano Classes on Monday. Miss Jean Marie Scott, also of Toronto, will adjudicate the Vocal Classes on Tuesday and, of course, Wednesday is Choir Day and Miss Scott will also adjudicate these classes.

On Monday, Rev. Irvine S. Johnston, of Napanee, will be adjudicating

Peterboro Youths Given Sentences

Recently Ronald James Fitzgibbon and David Benjamin Davis, both of Peterboro, were given one-year sentences for the October 4th jewellery theft from Burrell's Jewellery Store in Stirling. They appeared before Magistrate T. Y. Wills in Belleville.

Extensive investigation by Police Chief Chas. E. Hicks led to the conviction of these two youths.

Man Killed In Collision At Bonarlaw

Funeral services for a 26-year-old Belleville man, fatally injured Saturday in a two-car crash north of Stirling, were held this afternoon.

Wilfred Bateman, 163 Yeomans Street, Belleville, a civilian bookkeeper at CFB, Trenton, was killed on Highway 14, just north of the C.P.R. railway crossing at Bonarlaw, when his car collided with an automobile driven by Allan York, 42, of Thurlow township's sixth concession.

Bateman's wife, Gloria, was released from hospital Monday, after treatment for back injuries.

York, admitted with head injuries, Monday was moved out of intensive care.

Won Trip To Lisbon, Portugal

Mr. and Mrs. Harold Bird, of Bird's IGA Food Store, are enjoying an all-expense paid holiday this week in Lisbon, Portugal.

The local store was successful in a recent sales promotion contest, sponsored by Oshawa Wholesale Ltd. The Stirling IGA store tied in first place with Kincaid's IGA, Madoc, in Category "B", achieving highest percentage of points over quota.

Pioneers' Legacy

(By Elizabeth Apperley)

Five years' ago, our first spring season in this county, I began looking for sites of pioneers' homes, thinking I'd be almost sure to find a bush that had been a part of my farm home surroundings near Toronto. It had been known to us as "Flowering Currant", but I'd heard it called "Clove Bush", and "Spice Bush".

I found it first around the canal locks at Glen Ross, and with permission, took some roots, and now have several good bushes. There's a clump growing beside lilacs, between the fair grounds and town, likely the site of a pioneer home. There's a nice example on the east side of the Frankford Rd., just south of Front. I've seen many bushes along the roads in this area.

Three years ago, when it was in flower, about the first of May, I wished for a bouquet of it, as its graceful branches and spicy fragrance make it very attractive. On my way up Hwy. 14, I decided to travel an unpaved road, to see whether I could find some by the road side. Turning west on the Seventh, the first house had a great expanse of it, yellow in the sunshine. When I told Mrs. Dave Hollinger, whom I'd never seen before, what I would like, she kindly cut a generous bouquet, and I had a new acquaintance, as well as the flowers.

When a neighbour, Mr. Roy Anderson, who had farmed in Prince Edward County, saw some fruit on my largest bush, two years ago, he said "You have a Missouri currant," as though he were seeing an old friend. He told me they had so many bushes, they'd take baskets of the currants to market.

The name "Missouri currant", was new, but it sounded reasonable, as these bushes had been brought from the United States by either United Empire Loyalists, or Pennsylvania Dutch, pioneers. Using this new name I found it pictured in a wild flower book, and described as follows: "Native to rocky slopes from Minnesota west to Texas, it has been introduced into the eastern states as an ornamental shrub. The Indians used the

Local Students Participate At Belleville Recital

MacDonald School, Harder Drive.

Fined At Campbellford

In Campbellford on Monday of this week, Ernest Wayne Outwater, R.R. 5, Campbellford, was charged with careless driving and fined \$150.00 and costs and had his license suspended for one year. He appeared before Magistrate Batten.

"Pilgrimage For Youth" Student Selected

The "United Nations Pilgrimage for Youth" programme to select a student from Madoc District No. 45 of the Independent Order of Oddfellows was held in Stirling, on Friday, April 19th, and Miss Nancy Hermiston, of Campbellford District High School was the winner from a slate of eight students.

Miss Lana LaChapelle, of Stirling, is the alternate.

The other students in the competition were: Doug, Faulkner, Stirling; Celia Murray and Jeff Rothermel, Marmora; Christina Jane Ross and Hurray Sargison, Madoc; and Adena Teal, Campbellford.

The winner is selected on his or her ability to speak to an audience, his or her social and school activities etc.

Miss Hermiston will go on a two-week guided tour of the United Nations and other points of interest, along with about thirty students from Ontario and will unite with others from various parts of Canada and the United States.

Jack Torrance, P.D.D.G.M. of Campbellford, is chairman of this committee which comprises the Rebekah and Oddfellow Lodges in Stirling, Madoc, Thomasburg, Tweed, Spring Brook and Campbellford.

dried currants in making pemmican, which was a composite of dried buffalo meat, fat, and berries. The flowers appear from April to June, the berries from June to August.

This humble bush resembles a certain type of person, it needs to be well known to be appreciated. If it is pruned and supported, it will be quite ornamental. Its branches are graceful, its flowers are yellow, lightly tinged with red, the shape and size of a dried clove, with a spicy fragrance. The fruit is a shiny blue-black currant, quite palatable. In autumn the foliage turns a dusky red.

Whether it's called Missouri currant, flowering currant, clove bush, or spice bush, I'm grateful to our pioneers for bringing it with them to their new homes in Canada.

Work of Local Artists To Be Displayed At Stirling Public Library

Librarian Reports Number Of Books Read Increasing Each Month at Library

The Stirling Public Library Board met on April 10th, with Mrs. Douglas Patterson, chairman, presiding.

The librarian reported that the number of books read is increasing each month, with many students of both local schools and of Madoc and Belleville schools using the reference facilities regularly and frequently. It is not expected that the change in the local high school will decrease the demand for good reference helps, but rather increase it, since bussing the students tends to shorten their use of the school library facilities.

After a discussion, it was decided to not hold an art show this year, but rather to display the work of local artists throughout the year in the library. For the month of May, Mrs. K. Bailey has accepted our invitation to display some of her work — landscapes, flower arrangements and a collection of pastel, crayon and oils portraying Paris street scenes. These pictures, together with our new renovation, make the library a pleasanter place to browse, read, or rest, and certainly a pleasanter place to work.

The Friday night free film showings, and the "Story Hour" of Saturday afternoon was discontinued at the end of April, and will start again in the fall.

We have asked for a booking of the Academy Award winning film "A Place To Stand" shown at Expo, and hope that during the summer we may hold an outdoor viewing of this and the other two films which were runners-up.

New book orders are coming in and we shall have a list of these in your paper next week. The April films move out next week, with new ones for May, in on May 1st.

The Lake Ontario Regional Library System, which backs our special request services, held a workshop in Belleville, on April 10th. Mrs. Peggy Faulkner attended the session especially dealing with children's work, and Mrs. C. Potts attended the adult services section. May we help you to get more use from your library? Happy reading!

Faulty Wiring Cause of Fire

Fire, believed to have started as a result of faulty electric wiring, Saturday night completely destroyed a frame home and storage shed and machinery in the 7th concession of Rawdon, near Wellman's Corners, just off No. 14 Highway.

The frame home, used as a summer cottage by Ernie Allore, of Belleville, was completely destroyed along with contents.

The storage shed was owned by Gordon and Lorne Bailey, co-owners of the adjoining farm, who used the building to house machinery.

There was no estimate of the loss said partially covered by insurance.

The Allore house was a residential landmark well over 100 years old and was known as the Daffoe homestead. No one was home at the time of the fire.

The Rawdon Fire Department, under fire chief Mac Mason, was called to the scene but the blaze was already far advanced and nothing could be done to save the structures. Everything was tinder dry and the two buildings burned rapidly.

**REPORT****MADOC DETACHMENT**

Week of April 21st

To April 27th

Several serious accidents occurred in Madoc Detachment area during the week of April 21st to April 27th.

An accident involving vehicles driven by Allan Everett Yorke, of Thurlow Twp., and Wilfred Bateman, of 163 Yeomans St., eBelleville, resulted in the death of Mr. Bateman. In addition, Gloria Bateman, wife of the deceased person, was hospitalized.

This accident occurred on Highway 14 near Bonarlaw, on Saturday, April 27th. Total damage to the two vehicles amounted to approximately \$3500.00. Prov. Const. R. V. Bonter is the investigating officer.

Earlier the same date, a one car accident on Highway No. 7, just east of the Deloro turn, sent the driver Douglass Duff, of Carleton Place, to Belleville General Hospital with serious injuries. A passenger, Mrs. Douglas Duff, escaped with minor injuries. Dr. H. G. Parkin, of Marmora, attended at both accidents.

In all, there were four accidents during this week; two of a property damage nature, with 2 personal injury accidents, resulting in injuries to six persons and 1 fatality.

There were 45 occurrences investigated; 7 thefts, 3 disturbances and 36 miscellaneous occurrences.

37 traffic warnings were handed out, 15 vehicles safety checked and 10 charges laid under authority of the Highway Traffic Act of Ontario.

Fifteen hours were spent in Magistrate's Court, Madoc, with Magistrate R. C. Jackson registering 32 convictions.

PARENTS: Children riding bicycles at night must have a white light to the front; a red light or reflector to the rear. Also, handlebars should be adjusted and tight; seats adjusted to the proper height and pedals in good shape.

If the parents help to assure that these points are adhered to, it will mean safety for all concerned.

MR. AND MRS. GLENN REID HAGERMAN
Hagerman -- Anderson Wedding

A pretty Spring wedding took place on Saturday, April 13, 1968, at 11:30 a.m. in St. Paul's United Church, Stirling, when Helen Marilyn Anderson, daughter of Mr. and Mrs. Bert Anderson, Stirling, became the bride of Glenn Reid Hagerman, son of Mr. and Mrs. Lorne Hagerman, Harold, R.R. 1, Rev. J. Bruce Small officiated. The church was adorned with Easter lilies.

The organist was Mr. James Morrow, Stirling, and he also accompanied the trio, Mrs. Garry Wright, Mrs. Wayne Hadley and Mrs. Bill West, who rendered "The Lord's Prayer" and "Brother James Air".

Given in marriage by her father, the bride was radiant in a floor-length bridal gown of waffle crepe with stand-away Queen Anne collar. The collar and short sleeves were enhanced with seed pearls set in rouching. This same trim was carried across the bodice of the gown. The simple, straight lines of the gown picked up the lovely chapel-length train which was attached to the upper back of the gown. Her headpiece was a chapel crown with two self bows. The nylon illusion four-tiered scalloped veil fell from the back of the headpiece. She carried a cascade of gardenias, stepanotis and ivy.

The matron of honour was Mrs. Ling.

Glenn and Marilyn reside in Stirling.

Clark -- Potts Wedding

On March the thirtieth at high noon, marriage vows were exchanged by Shirley Anne Potts, only daughter of Mr. and Mrs. Carleton E. Potts, Stirling, Ontario and John Cecil Clark, son of Mrs. Maurice Spence, Pembroke, Ontario and the late C. J. Clark.

The ceremony was performed by the Reverend W. C. Cox in Mt. Pleasant United Church. The altar was flanked with peach and white carnations and fernery.

Given in marriage by her father the bride was winsome in a white floor-length gown with full hooped terry french lace appliques. The bodice featured a corsair neckline and lily point French lace sleeves. Her four-tiered scalloped veil was held by a seed-pearl and French lace head-piece and she carried a ribbon bouquet of red rose-buds on her white Bible.

The matron-of-honour, Mrs. David Potts, sister-in-law of the bride, and the bridesmaid, Mrs. Paul Smith, cousin of the bride wore identical gowns of Erin green imported crepe with bell sleeves and corsair neck lines. Their matching headpieces were ornamented with seed pearls and netting. They both carried cascade bouquets of peach and white carnations.

The groom's attendant was his brother, Mr. James Clark, of Ottawa, and Mr. David Potts, brother of the bride was usher.

Miss Linda Potts presided at the console of the organ and during the signing of the marriage register, Mrs. W. C. Cox sang the wedding hymn, "O Perfect Love".

Following the ceremony, the bride's parents entertained their guests at a reception-dinner at their home on the fourth concession of Rawdon township. The bride's mother received in an oyster Italian knit two-piece dress with matching accessories, assisted by the mother of the groom in a powder blue wool suit with white hat and matching accessories. Mrs. Potts wore a corsage of white carnations and Mrs. Clarke wore a corsage of pink carnations.

Following the reception at which the groom's ninety-four year old grandfather was a guest, the happy couple left for Ottawa and points east, the bride attired in a rose silk suit with black and white accessories and a white carnation corsage.

Signalman and Mrs. Clark will reside at 357 Herbert Street, Pembroke, Ontario near Petawawa Military Base where the groom is a member of the Canadian Armed Forces.

Prior to her wedding, Mrs. Clark was honoured by her friends at a delightfully arranged shower at the home of Mrs. Albert Hubble, Stirling, Ont. Co-hostesses of the shower were Miss Doreen Hubble, Mrs. Paul Jeffs, Campbellford, Ont. and Mrs. Wm. McAdam, Stirling, Ontario.

Stirling Horticultural Society

(By Mrs. Percy MacMullen)

On Monday evening April 15th St. Johns Anglican Parish Hall was decorated for Easter and Mrs. Frank Harding was hostess to the forty-five people in attendance.

The president Mrs. Floyd Armstrong opened with the Lord's Prayer in unison and then read the gardeners prayer. She extended a welcome to all and especially to three men from the Belleville Horticultural Society Messrs. Patterson, Watson and Smith.

Mrs. Raymond McConnell read thank you notes from two churches which had received an Easter Lily. The Ontario News letter received contained much useful information. Gifts from both Eatons and Simpsons have been received for prizes at the Flower Show in June.

Mrs. Grant Hubble gave the financial statement. To date there are 138 Memberships and it is hoped to canvass the village and community for two hundred more.

Mrs. Harry Walte gave a resume card to ill folk and bereaved.

Mrs. Ed Warren will be hostess for the next meeting on Monday May 13th at 8 p.m. and this meeting will be one week earlier owing to the regular date being a holiday.

There will be another draw for crab trees for those memberships gathered in during this month.

Several of the group placed their signature on a petition to the government for a man in the West to apply for a patent of New Hybridized Plants in Canada.

The annual plant sale for May will be announced later.

Mrs. Harding read a selection and introduced Mr. Jim Holt. He gave an hours entertainment with a travelogue and colorful slides of their trip to California, Arizona, Nevada and many local scenes. The group tendered him an appreciative thanks for his informative message and scenery.

Mr. Patterson and Mr. Watson of Belleville Horticultural Society gave

brief messages and outlined plans for their Rose show on June 29th at this same time the annual meeting of District No. 3 will be held.

These two men drew fourteen Membership stubs and these people will be notified when the Crab Trees arrive in the village.

The president and her father, Mr. Wm. Ashby donated several rooted tree sprouts and various packages of seeds free of charge for any of the members who cared to plant them.

Mrs. Cyrus Summers and Mrs. Harry Clarke assisted the hostess and they served fruit bread, cheese and coffee for the refreshment hour.

At the close Mrs. Oscar Merrick voiced appreciative thanks.

St. James C.W.I.

The highlight of the April meeting of the Catholic Women's League was the election of officers to the executive for the forthcoming term. Those elected were as follows:

President — Mrs. R. LaChapelle
Vice-President — Mrs. J. R. Donohoe

Secretary — Mrs. J. Forestell
Treasurer — Mrs. J. Doran

Rev. J. F. McGarvey expressed his warm appreciation to the retiring president, Mrs. Ray Burley, and her executive for their fine accomplishments and for having accepted an extended term of office for the past year.

Annual reports were read and adopted.

Delegates chosen to attend the Diocesan Convention in Belleville in May were Mrs. Roy LaChapelle and Mrs. J. R. Donahoe.

Thanks were expressed to the Stirling Horticultural Society for their generous gift of a Lily to the Church at Easter.

It was decided to send a donation to the Stirling Festival of Sacred Praise.

A set of recordings of talks on Marriage Counselling is available to parishioners. Requests should be directed to members of the executive.

Members were asked to give suggestions to Mrs. LaChapelle regarding a short trip in the early summer.

At the close of the meeting, re-

freshments were served by Mrs. John Kerby and Mrs. Gerald Kerby.

Wellman's W.I.

The Wellman's Women's Institute meeting held at the home of Mrs. Gerald Clancy on Wednesday, April 17th, opened in the usual way with the Ode and The Lord's Prayer.

This being the annual meeting, the reports of the standing committees for the year were given, showing many interesting programmes. Special speakers included: Mr. Clayton Hall, who spoke on A.R.D.A.; Provincial Constable Willis, of Belleville, speaking on the roll of the policeman teaching safety to our children. Mrs. W. Hill, Madoc, District President of Hastings North, was a visitor during the year. Interesting pictures were shown of Hong Kong and the Philippines. Topics on "Drugs and You" and "Changes in Education Since Sputnik" were also highlighted.

Mrs. Carl Clancy conducted the election of officers for 1968-69, as follows:

President — Mrs. A. Akins
1st Vice Pres. — Mrs. J. Pollock
Second Vice President — Mrs. J. Carlisle.

Secretary - Treasurer — Mrs. G. Russett

Planist — Mrs. F. Beckett

Assistant-Planist — Mrs. G. Clancy

District Director — Mrs. E. Cotten

Assistant District Directors — Mrs. K. Tompkins, Mrs. W. Fleming, Mrs. D. Clancy.

Guide Lines

Last Monday night, the 1st Stirling Girl Guides visited the 9th Trenton C.F.B. Guides. Our purpose was to get new ideas and make new friends and this we certainly did. Among other things, we watched six of their young Guides pitch and strike a large bell tent. (Good preparation for our Guides who are planning to go to camp. While the tent was up, their whole company and ours and all the leaders (about 70 people) sat inside and chatted about camp and tent care.

One of the things we were most pleased about was their special Guide and Scout House. This house has one very large meeting room on each side, (one for Guides and one for Scouts), a large Guiders' Quarters and Scouters' Quarters; 2 huge storage rooms and private wash rooms. Our girls and leaders, in particular,

were really enthralled with this.

Our cookie sale last Saturday was quite successful, but unfortunately, being inexperienced at this business, we ordered far too many cookies. If anyone could use more Guide cookies please phone any of the Guides or Barb Pitman (396-3319) and we will be very happy to deliver them. We will also be selling cookies in town this Saturday. Thanks for your interest and support.

Couple Tendered Community Shower

On Saturday evening, April 20th, the neighbours and friends of Wellman's community gathered at the home of Mr. and Mrs. Omar Dracup to honour Mr. and Mrs. Gerald Malloy on the occasion of their recent marriage.

Rev. W. C. Cox was master of ceremonies and the programme opened with a sing song led by Mrs. Kenneth Tompkins and Mrs. Gerald Clancy. Readings were given by Mrs. John Carlisle, Mrs. Stewart Hoover and Miss Carol Seeley. Mrs. Gerald Russell, Miss Mary Akins and Miss June Watson each favoured with a solo. Mrs. Fred Beckett and Mrs. Gordon Foster contributed a duet; also Misses Janice and Valerie Clancy. Piano music was supplied by Miss Gayle Hoover, Miss Paulette Linn and Mrs. Francis Sager.

Mrs. Kenneth Tompkins read the address on behalf of the community and Mr. Jack Dunham and Mr. Harold Linn made the presentation of a coffee table and two pictures. Gerald and Bonna replied, expressing their appreciation for the shower and the gifts. All joined in singing "For They Are Jolly Good Fellows".

Lunch was served and a social time was much enjoyed.

Dept. of Highways Statistics

The past year set new records in Ontario for the number of motor vehicles on the road, amount of driving done, number of traffic accidents and the resulting toll of fatalities - but the rate of accidents per miles driven was slightly lower than the previous year.

In reporting the 1967 figures to the Legislature today, Transport Minister Irwin Haskett also noted that figures for the first two months of 1968 showed a marked reduction in fatalities as compared to the same period a year ago. This, he said was "the kind of reduction we would all like to see continue throughout the year" - 22.9 per cent fewer fatalities and 26.2 per cent fewer fatal accidents. The statistics for 1967 were set out in detail in a 28 - page booklet. These were among the highlights:

Number of vehicles registered in Ontario was 2,729,984, an increase of more than 90,000.

Ontario motorists drove an estimated 25 billion miles over the year before.

Number of accidents was 145,008, an increase of more than 5,000.

Number of persons injured was 67,280, an increase of about 2,000.

Number of persons killed in traffic accidents was 1,719, an increase of 123.

Mr. Haskett noted that the percentage increase in the number of traffic accidents was less than the percentage increase in the mileage travelled - 3.7 per cent in the number of accidents and 5.6 per cent in the number of miles travelled. There were more accidents resulting in multiple fatalities than in the previous year.

"The rate of accidents per miles driven was slightly lower than the year before, and the rate of fatal accidents also slightly lower. The rate of fatalities was slightly higher. The latter two rates continue to be about half what they were 20 years ago," Mr. Haskett stated.

"The statistics for 1967 give a familiar picture of why and how collisions occurred. Nearly two-thirds of them were in daylight hours; most of the drivers were in apparently normal condition; most of the vehicles were in apparently good condition.

"For every 172,700 miles of driving during 1967, there was a collision. Usually it was minor, involving a dented fender or something of that nature. In a very small proportion of cases the results were serious. But because there are so many persons driving so many miles, that "small proportions" of serious collisions add up to a substantial number.

"The toll of traffic collisions is a continuing challenge to this government and to all our municipalities... but the government measures alone cannot solve the problem. What is needed is deliberate care and common sense by every individual driver and pedestrian... and an alert avoidance of all unnecessary risks."

Many New Films Available From Library For Months May and June

The circulating films for May and June are now at the Stirling Public Library. The blocks for these two months are unusually varied, and useful in programming, whether for church discussion groups, service clubs, youth groups, et al.

"I'm No Fool With A Bicycle" — 8 min. coloured film showing evolution of the modern bicycle, need for keeping it in repair, and safe practices while riding.

"Autobiographical — A. M. Klein" — 10 min. film about the city of Montreal. The poet's view of his own city is affectionately communicated to the viewer.

"Batik Rediscovered" — 12 min. coloured film demonstrates the process of dyeing cloth by the age-old Batik method. At each stage, a different aspect is shown in detail.

"Beaver Dam" — 16 min. coloured film. When a beaver's dam floods a farmer's hay field and an adjoining road, the farmers see nothing for it but to shoot the beaver and destroy the pond. Two young boys find a way of saving the beaver and draining the field.

"Commonwealth Arts Festival" — 24 mins. coloured film. A lively impression of the first festival held in the fall of 1965 in London, Cardiff, Glasgow and Liverpool simultaneously. The colour camera records a few aspects of the many varying and contrasting arts and cultures which represented every part of the Commonwealth.

"Each Day That Comes" — 27 mins. The story of a young woman in a small town, captive of her own way of life. The film attempts to capture the fears and loneliness of a woman whose early life held all the promise of joy and love. Frances Hyland and Kate Reid star in this thought-provoking film.

"Queen Opens Parliament" — 11 mins. coloured. Here is a proud moment in Canada's political history — first time a reigning monarch opens a session of the Canadian parliament. The film traces the historic origin of each part of the proceedings, stressing the meaning of our parliamentary democracy. Excellent for Scouts, Cubs, schools, I.O.D.E., etc.

"Ride" — 7 min. coloured film without words or worries, made just for fun by Gerald Potterton, a cartoon film-maker of the National Film Board.

"Attuk" — 29 mins. coloured film. The nomadic existence of the Montagnais Indian tribe which lives along the Gulf of St. Lawrence near the Strait of Belle Isle is shown in this film, and also their deep-rooted superstition which surrounds their hunt of the caribou.

"Inner City" — 42 min. film. How relevant is the church of the inner city? To the unshaven, the unemployed and the unloved, the historic downtown churches, their congregations largely composed of people who have moved out to the suburbs, may be only landmarks. Some congregations taking a hard look at themselves are realizing that the surrounding community has undertaken a great change. It is suggested that bookings for this film be made at least one week in advance of showing, for it will undoubtedly be in great demand. Yes, it is the same film that costs \$3.00, plus postage, both ways, if ordered from the United Church Film Service.

The deposit blocks, 26 films in all, contain many excellent programme helps also.

"Because They Are Different" — 28 min. A film inquiring into the whole question of integrating Indian children into non-Indian schools. Is it working? What are the problems and how are they being resolved?

"The Feeling of Hostility" — 33 min. Dramatizes the factors producing resentment and hostility in personal relationships. Deeply provocative when followed by serious discussion.

"Georges P. Vanier" — 29 min. A film profile of Canada's late Governor-General viewed against a background of events in which he played a prominent part. Shows Mr. Vanier as soldier, diplomat, and governor-general, all in historical context.

"To Serve The Mind" — 25 min. The story of a doctor who suffers a (Continued on Page Eight)

Trap Wolf

Bill Cairns, of town, and Bert Wamamaker, Foxboro, trapped a large female wolf in the Foxboro area on Monday. No trace was found of the den.

Diblee Awarded Crookston Contract

Diblee Construction Co. Ltd., of Ottawa, has been awarded the contract for the reconstruction of 5.6 miles of Hastings County Road No. 9 (Crookston Road) running east from Highway 62 in Huntingdon Township.

Clarke T. Rollins, M.P.P. for Hastings, said the contract for \$175,653 had been approved by the Ontario Minister of Highways.

Gerald R. Danford Candidate For The Ministry

The Session of Spring Brook United Church, Spring Brook, Ont., were pleased to accept the first candidate to the ministry of that Church since Union, in the person of Mr. Gerald R. Danford.

Mr. Danford was presented to the Belleville Presbytery at their last meeting, held in Picton United Church.

Gerald plans to enter Waterloo Lutheran University this Fall where he will complete his Arts degree prior to entering Queen's Theological College at Kingston.

Gerald is the son of Mr. and Mrs. Walter A. Danford, of R.R. 1, Spring Brook, and has lived all his life in this area. He received his primary education at Harold and Secondary education at Stirling.

Following high school, he attended Peterboro Teachers' College and has taught for one year at T.S.A. No. 1, Ameliasburg, and the past five years at Stirling Public School.

Mr. Danford is a member of Spring Brook United Church and has been active in the work of the Church there, as a choir member, leader of the Sigma-C boys' group and at present Acting Superintendent of the Church School. He is also a member of St. Paul's United Church AOTS Men's Club, Stirling.

His many friends wish him well in this new undertaking.

Look For The Cause

Two of our very popular Senior Citizens (Nellie Montgomery and Evelyn Finkle) served some twenty-five lovely lunch last Thursday afternoon. They dished out quite a spread and Vice-Pres. Fred told them so in good form.

We had one visitor, "The Chief" and he is always most welcome. Chief Charlie left after the first game. I guess he may have smelled an accident going to happen. If any citizen would like to spend a pleasant hour, why don't you drop in sometime. We welcome all visitors.

Well, it's grass cutting time again. Dis ole Scribe used to think it was fun, but the last few years the joke seems to have been left out. To make starting easier, we got one of those finger-tip starters. Now I think they forgot to put in "the tip" for some times it's more stubborn than a pig on ice. I don't know of anything that's harder on religion than a stubborn starter.

Before we criticize the finger tip starter, let's look for the cause of all this. Last week, we found they start much easier if you have gas in the tank. Now, speaking of the cause, reminds me of the following:

A wife, having given birth to her sixteenth child, was leaving the hospital to return home when the head nurse remarked jokingly: "I suppose I'll be seeing you in another year."

"Oh, no, you won't," said the woman with an air of great confidence. "What makes you so sure?" asked the nurse.

"Well," came the reply, "me an' my old man has found out what's causing them."

Live and learn,
Dis Ole Scribe

Bruce Glendinning At Symposium

Bruce Glendinning, of town, who is the Federal Government's Quality Control Representative for the Trenton district, spent the last two weeks at Material Command Headquarters, Rockcliffe, Ont. He was attending a Quality Control Symposium.

Tractor Fire At Sharp Bros. Farm

Rawdon Fire Department was called to a tractor fire at the Sharp Bros. Farm, at Mount Pleasant, about 7.30 a.m. Tuesday morning. The tractor was sitting in the yard when it caught fire. It had previously been refueled by Orno Sharp in readiness to go to the field and no person was near the tractor at the time of the fire. It is presumed that a short circuit was cause of the fire. No damage was done to the buildings close by.

Local and Personal

Mr. Bob Jones, of Toronto, was a week end guest of Mrs. G. W. Jones and family.

Little Miss Elizabeth Prucha, Toronto, spent the past two weeks with her grandparents, Mr. and Mrs. Roy Eggleton, while her parents, Mr. and Mrs. Carl Prucha were vacationing in Jamaica.

Mr. and Mrs. W. I. Montgomery, Fenella, and Dr. and Mrs. L. J. Stuart and Peter, Millbrook, visited Mrs. R. W. Meiklejohn, on Thursday. Mr. and Mrs. Ernie Wamamaker called recently at the home of Mr. and Mrs. Roy Tripp and Mrs. Hiram Wamamaker, in Concession.

Mr. and Mrs. Walter Wamamaker, Madoc Twp., were Sunday guests of Mr. and Mrs. Ernie Wamamaker.

Mr. and Mrs. John Kane returned home this week after spending a month visiting relatives and friends in England and Scotland.

The many friends of Charles Morton, formerly of Sine, who is now residing at the Hillside Nursing Home, Campbellford, will be glad to know that he was able to be a supper guest at the home of his son, Mr. Burton Morton and Mrs. Morton, on Saturday.

Mrs. Warren Harlow, Mrs. Don Knight and Mrs. Oscar Lightle attended U.C.W. in Dartford on Tuesday night where Mrs. Angiers, missionary home on furlough, was guest speaker. The meeting was well attended. She is leaving again on Thursday for Beirut, Lebanon. Mrs. Angiers is the former Ida Honey, from Dartford.

Wayne Martin Guest Speaker For Rotary Club's Farmers' Night

The annual Farmers' Night was held by the Rotary Club of Stirling on Tuesday evening of last week. President Dr. Jan Jagaciak chaired the meeting and extended a welcome to the guests.

Speaker for the evening was Wayne Martin, Assistant Agricultural Representative of the Ontario Department of Agriculture and Food for Hastings County.

Mr. Martin gave an interesting talk on "Food for the World". He opened his remarks by saying that meetings such as this do much to close the gap between rural and urban relations.

The highlight of his talk was the importance of the producer because of the fact there were more consumers than producers. We have to think in terms of the world and our efforts were lagging behind the population increase.

Therefore population control was important to ward off malnutrition effects and medical science is doing much to assist.

Rising income increases the food problem. The more income, the greater the change in eating habits. The prime concern is to assist in helping others to develop a way of providing food for themselves. This means building new industry and you can't have industry without agriculture. Working together means to provide food for all.

Mr. Martin was introduced by Rotarian George Noble and the thanks of the Club were expressed by Rotarian Rev. Bruce Small.

Remember Mother On Sunday May 12th

Next Sunday, May 12th, is Mother's Day, and special services will be held in the various Sunday Schools and Churches in the Village and surrounding community in honour of good mothers of every land. Fortunately, in these days of hustle and bustle, one day of the year has been set aside as Mother's Day or Christian Family Sunday.

Let us not forget her — she who did so much for us in our infancy, through our childhood, into our manhood, and who stood by us so long as she was able to do so.

Often times her back was bent for us, her health sacrificed for our well-being and her mind and thought pained by our ingratitude. Mother has always loved us, even when we did not deserve it.

What can we do on Mother's Day to show our love and appreciation? We may have neglected her for some time. If absent from the old home, we can at least write a letter, or send some gifts that will please her. Plan something to show what you think of her on this occasion. Be as loyal a son or daughter as she was a mother.

Guide Log

Last Monday the Guides had eleven Brownies and three Brownie leaders to visit them. The Brownies joined in all the activities with the Guides and we hope they enjoyed themselves. We enjoyed having them.

Three of the Guides have begun working on their Hostess Badge and three others are to begin this week. This badge involves: planning a social evening, including entertainment and refreshment; being hostess to the guests during the evening; and writing several letters such as invitations and thank you letters. For this purpose, we have invited 1st Bancroft Girl Guides to visit us next week. Mrs. A. O'Toole, the Bancroft Captain will be testing our girls on their hostess badge.

We also have three or four girls ready to try their Cook's Badge. This involves not only cooking, but also menu planning and grocery shopping. These girls will also be tested in the next week or two.

A reminder to the Guides: Every Guide is to have the chart of Woodcrafe Signs done in her note book for next week. You might also practise sewing or study them as we will be using them in a relay race next week.

Yours in Guiding,
Capt. Pitman

St. Paul's AOTS Club May Meeting

Art Loucks, Vice-President of St. Paul's United Church AOTS Men's Club, chaired the regular monthly dinner meeting on Wednesday evening in the absence of President John L. Good, who was confined to hospital.

The Carmel Unit of the U.C.W. served a delicious pot luck supper. Elwood Bateman gave an interesting account on the Provincial Round-Up Conference he and Art Loucks had recently attended at Orillia.

The devotional period was conducted by Gerald Danford.

St. Paul's United Church AOTS Club Visit Fred Victor Mission In Toronto

On Sunday, May 5th, St. Paul's United Church AOTS Men's Club went by Franklin Coach Lines to visit one of the many Home Mission works of the Church. There were 42 men and women on the trip.

Before going to the Mission, they visited the Timothy Eaton Memorial Church, on St. Clair Ave. This congregation goes back to 1909 when the Methodist Congregation took steps to establish a church. The first permanent church was built in 1911 by Sir John Craig Eaton, in memory of his father, Timothy Eaton.

The sanctuary of the church is in cathedral styling. The architecture belongs to that period of English Gothic known as the Decorated Period. The church seats about 1400. On the Communion Table (3 tons of Indiana Limestone) is a stately Latin or Graded Cross. Facing the congregation is the lovely stained glass window embodying "Holman Hunt's 'The Light of the World'".

Its active members now number over 4,000 and come from a radius of 25 miles. There are over 20 organizations and groups meeting weekly at the church. Last year well over 25,000 meals and lunches were served for special occasions.

Conductor for the tour was Mr. Robert Pollock, President of Pollock Shoe Stores Ltd.

The group enjoyed a supper at the church, served by a U.C.W. group.

A highlight of the visit to the Church was when Dr. David Ouchterlong, church organist, played one of his own compositions on the five-manual Casavant organ. Minister of the church is Rev. C. Andrew Lawson.

Fred Victor Mission

At Fred Victor Mission, the group was welcomed by Rev. R. J. Scott, Arthur Loucks, Vice-President of St. Paul's AOTS Club, conducted the service. Craig Watson led in an opening sing-song. Rev. J. Bruce Small accompanied on the organ. Claire West led in the prayers.

Donald R. Williams gave the address for the evening service, based on the parable of the Prodigal Son. His message was very timely and was listened to by an attentive audience.

The male quartette of St. Paul's, Harry Brown, Jack Bush, Grant Richardson and Rev. J. B. Small, contributed a number, accompanied by Mrs. Craig Watson. During the service, the choir sang, "How Great Thou Art".

Fred Victor is only one of many missions operated by the United Church of Canada. The men viewed the work of the Mission. Some 145 destitute men were given food and lodging the night of their visit. The group was told that in a period of two weeks, over 500 different men walk through the doors of the Mission. Every day some United Church Women's group in Toronto provide 50 loaves of sandwiches for the Mission and many U.C.W. are called to help pick over and distribute the tons of used clothing which is given out. The Mission also gives marital counseling and aids many broken homes, both spiritually and materially. A medical doctor and a sociologist, as well as two ministers and a deaconess give leadership in the Mission.

The AOTS Club was also shown the living quarters of the Senior Men's Residence in the Mission. The Mission gives room and board to some 65 senior men, who make up the part of the cost by their pension. The Church receives a grant from the

Ontario Government in helping these people but the full cost is not borne by the government. The Missionary and Maintenance Fund of the United Church is responsible for the main cost of the Mission.

On the trip home, those who were still awake were kept awake by a lively sing-song.

The group arrived in Stirling about 12.30 p.m., perhaps tired, but much stimulated and encouraged by their own fellowship and by viewing first hand a small amount of the work being done by the larger church.

Do You Remember?

— TWENTY-FIVE YEARS AGO —

ISSUE MAY 6th, 1943

Geo. Watson, of Wellman's, a member of Keystone Chapter, No. 72, was elected District Grand Superintendent at the annual sessions of Grand Chapter, Royal Arch Masons, held in Toronto last week.

After two and a half years overseas with the RCAF, Cpl. Colin Fox has returned home to continue his duties as instructor in Canada.

A pleasant evening was spent on April 26th, at the home of Mr. and Mrs. Fred Heasman, Sidney Twp., when neighbours gathered to pay honour to Tpr. William Heasman.

R. E. Fox, of Stirling, was chosen District Deputy Grand Master of Madoc District, at a district meeting in

Tweed Tuesday night.

A celebration will be in order for Hastings County early in June when at the Spring session of County Council the last debentures will be paid off and the County will stand free of debt. County Clerk Erle S. Denyes stated it will undoubtedly be the first time in history that the County will be entirely free of debt. Hastings County was organized in 1850 with Edward Fidler, of Rawdon, as the first Warden. Prior to that time, the area comprising Hastings had been known as the District of Columbia.

Don't throw away an old oilcloth tablecloth. Use pinkish shears to cut a number of place mats.

Chill candles in the refrigerator for 24 hours before using. They will burn evenly and do not drip.

Rylstone W.I.

Mrs. Ernest Rowe was hostess to Rylstone Women's Institute at the Institute Hall on Wednesday afternoon for their May meeting. As Mrs. E. L. Anderson, President, was absent, attending the Officers' Conference in Guelph, the meeting was under the leadership of Mrs. Jack Watson, one of the Vice-Presidents.

The meeting opened with the Institute Ode and Creed and the roll call was answered by, "Why I Buy Canadian Goods". The assistant secretary-treasurer read the minutes of the April meeting and gave the treasurer's report.

Correspondence was read and dealt with. A donation will be made to the Campbellford Fair Board for a prize on liquid embroidery dolly (shaded). Mrs. Ellis Jones was appointed to see about obtaining a piano for the Hall. Mrs. Murray McKeljohn and Mrs. Jack Watson were appointed to buy bread and fillings for sandwiches, which they will make up at the home of Mrs. Watson for the forthcoming anniversary celebration.

Another offer to cater to the Steam Engine Re-Union in Campbellford, was again turned down.

Mrs. Jack Watson acted as convenor in place of Mrs. Gordon McKeljohn for the balance of a splendid programme, which consisted of the motto, "Wisdom is knowing when to speak your mind, and when to mind your speech". It was prepared by Mrs. Cora Reid and ably given by Mrs. Carl Reid.

Mrs. Wm. H. Petherick gave a very interesting and spellbinding talk on "Individuality". It was well-prepared

and delivered as only Gladys can do it. She was thanked by Mrs. Stanley Kerr and presented with a small gift.

A contest, "Parts of the Body", was conducted orally by Mrs. Eldon Anderson.

A dainty lunch was served by the hostesses assisted by Mrs. Frank Osborne.

The meeting closed with the National Anthem. There was an attendance of seven members and six visitors.

Rylstone Women's Institute will be hostesses to the North Hastings District Annual Meeting, to be held in Zion United Church, Petherick's Corners, on Tuesday, May 14th, with dinner in the Orange Hall.

No Problem With New Welfare System

— Tucker

A new social services organization was established in Belleville and Hastings county on May 1.

It is the Hastings county social services — or in other words the joint city-county welfare unit which officially commenced operation recently.

And as far as welfare administrator Reginald Tucker is concerned the welfare organization was started without last minute difficulties.

"No difficulties at present," stated Mr. Tucker. "All cheques were mailed out to eligible recipients on April 30th."

Mr. Tucker said that in one or two instances recipients were found to be ineligible, and that in other instances certain adjustments had been made

in the amount of the welfare benefit. As the county social services unit got underway, Mr. Tucker was loud in his praise of the "excellent co-operation" which he had received from township clerks and former municipal welfare administrators in the rural area.

"Their co-operation helped greatly in getting the county unit off the ground," he said.

At the commencement of operations the Hastings county social services is administering welfare in the city of Belleville and Hastings county with the town of Trenton expected to join about June 1st.

After initial indecision Trenton has asked to be part of the county unit and its inclusion has been approved by both county council and the city of Belleville.

Only approval from the provincial department in Toronto is necessary before Trenton joins the service.

"We don't expect any problem and we are shooting at the June 1st date," Mr. Tucker said.

For administration purposes the county has been divided into four zones with field workers designated for each area.

Zone 1 takes in the entire north end of the county and includes 11 townships and the village of Bancroft.

Zone 2 includes the villages of Deloro, Marmora, Frinkford and Stirling, Rawdon and Sidney townships and eventually the town of Trenton.

Zone 3 is the city of Belleville and Zone 4 is comprised of the town of Deseronto, the villages of Madoc and

Tweed, and the six townships in the south and east sector of the county.

Representatives Favour Conservation Authority

BRIGHTON — Area representative attending the Lower Trent Conservation meeting here last night voted in favor of establishing an authority by a majority of 11-four.

Dissenting ballots were cast by representatives, of Brighton and Stirling villages and the townships of Murray and Rawdon.

The authority embracing two towns five villages and 10 townships is expected to be set up officially by an order of council of the provincial government within the next month.

River Valley W.I.

On Thursday, May 2nd, twenty-one members of River Valley Women's Institute and three visitors enjoyed a tour in Campbellford, arranged by Mrs. Roy Tucker, convenor of Agriculture and Canadian Industries.

Mrs. J. G. Palliser, florist, conducted the tour through his various greenhouses where carnations, chrysanthemums, geraniums, begonias and a large array of small plants were in evidence. The group was also shown his large collection of imported glassware and his special rooms where lovely costume jewellery is fashioned from various pieces of mineral rock.

Mrs. Palliser gave a very informative talk about his special jewellery hobby, which later became an industry with several employees. He was tendered appreciative thanks for the very interesting tour.

The group then proceeded to the home of Mrs. Gerald Brooks for a short meeting. The president, Mrs. K. Myers, opened with the Institute Ode and Mary Stewart Collect.

A letter of thanks was read from the Stirling Encampment L.O.O.F. for the delicious chicken dinner which had been served recently.

Approximately forty children are interested in the swimming classes.

Alternate delegates were appointed for the District Annual on Thursday, May 9th, at Scott's Hall, with Uniondale Branch as hostess.

Mrs. Percy MacMullen, a contributing member of A.C.W.W., announced that the U.S.A. Day at the Triennial Conference at Lansing, Michigan, will be September 5th.

The roll call centred around a variety of new items on the market. A leaflet re the Hastings County Museum opening was displayed. Five members paid their fees. Mrs. Roy Tucker based her message on the theme "What is our image to the rest of the world" and she stressed that home should be a place of comfort.

A large array of wrapped parcels were sold and the proceeds were placed in the A.C.W.W. Penny Fund and amounted to over seven dollars.

The hostess, assisted by Mrs. Jack Bush and Mrs. Roy Bush, served refreshments. At the close, Mrs. Norman Rosebush voiced appreciative thanks for an enjoyable meeting.

The June meeting will be held at the home of Mrs. Sheldon McIntosh when the delegates to the District Annual and Guelph Conference will give their reports.

This past week, Mrs. Sheldon McIntosh, Convenor of Citizenship and Education of River Valley Branch, and Mrs. Vernon Harry, Secretary-Treasurer of Hastings West District attended the Institute Conference at Guelph.

Tweed Stores Open Six Days A Week

From approximately July 1st, 1968, until Labour Day, the stores in Tweed Village will remain open six days a week as a service to the many hundreds of tourists who visit this area during the summer months.

Fire Damages Reach \$17,000

About \$17,000 damage resulted from a fire of undetermined origin which destroyed a barn and contents belonging to Burton White of the 7th concession in Rawdon on Sunday, April 27th.

The alarm was given by a neighbor but the Rawdon fire department was unable to do anything to save the 12 head of yearling cattle. The roof of the barn had already fallen when the firefighters arrived.

About 1,000 bales of hay were also lost in the fire.

A portion of the loss was covered by insurance.

THE BIBLE TODAY

Translations of the Scriptures into popular everyday language are proving their worth as means of presenting the Word of God to the man in the street who is not familiar with literary or church language.

An illustration is the recent experience of a 75-year-old retired pastor in Puerto Rico, who was so impressed with the Spanish Popular Version that he decided to distribute them.

He bought 500 copies, went to a public park in Rio Pedras, sat at a table near the bus terminal and started to offer the Testaments to the people. He did the same thing the next day at the market place. In a total of 15 hours, he was able to distribute all 500 copies, talking individually to each purchaser.

On returning home his comment was: "This has been one of the happiest days of my life. I didn't know

how effective any evangelistic effort could be with a Testament like this in our hands."

IN MEMORIAM

In loving memory of a very dear friend and faithful member of our In- stitute, Mrs. Clara Wright.

Then the King will say to those at his right hand, Come, O Blessed of My Father, Inherit the kingdom pre- pared for you — for I was hungry and you gave me food, I was thirsty and you gave me drink, I was a stran- ger and you welcomed me, I was naked and you clothed me, I was sick and you visited me, I was in prison and you came to me — Truly, I say to you, as you did it to one of the least of these my brethren, you did it unto me.

This was Our Mrs. Wright.

OF MANY THINGS

By Ambrose Hills

SATURDAY NIGHT!

Our farm is close to a lovely little town called Cloverdale. I like it very much, because it reminds me of the small prairie town where I was raised. So last week end, I announced: "Well, it's Saturday. Let's all go to town tonight!"

In my day, such a suggestion would have brought cries of delight. But my children, in their teens, looked at me as if I'd gone looney. "What on earth for?" asked one. Another said: "Oh — you mean into Vancou- ver? Sure I'd like to go. We could drive along West Fourth and see the hippies."

"I mean Cloverdale," I explained. "It's Saturday night."

"Nobody goes to Cloverdale," they told me. "Not on a Saturday night, anyhow." And then they wanted to know what is so special about Sat- urday night? We went to Cloverdale, saw a picture show, and walked up and down the Main Street. Either things have changed or my memories

of long ago are faulty.

Our memories do fool us a little. Snow drifts up to your waist are only up to your knees when you've grown older and taller. And the pool room, that always used to seem such an exciting place, appears rather run-of-the-mill later on. On the prairies in the early days, it was a gathering spot for farmers on a Saturday night. Not all played pool. Most of them sat around and yarned about farming, the price of wheat, and the prospects of war or peace. Then, at the last minute, they'd rush to the Corner Grocery and shop — driving the proprietor into a fit, because they dawdled around town all evening, and then were in such a rush late at night.

Anyhow, our family enjoyed the excursion into Cloverdale. It is a pretty, friendly little town. I had a game of pool with the proprietor, and then we all met at the restaurant for hot soup. We took one more long walk around the town and Saturday night was over. We were home just in time to watch the late show on TV.

Oddly enough, my family enjoyed the outing. "Let's do it again," they chorused. I am willing. I'd like to go to town every Saturday night and if we keep it up we might just start a trend. See you in town next Sat- urday!

A New Town

To Be Born

On August 17, 1968, 3,500 residents will move into a huge 1,000 tent town at the Kelo Conservation Area near Milton, Ontario (32 miles west of Toronto).

Planning has been underway for two years. Services provided include medical, sanitation, post office, tele- phone, shops, a tent supermarket from which residents will procure daily needs. Electrical power will be distributed via a half-mile specially installed line. Thirty-five thousand gallons of water will flow daily through a three-quarter mile water line to quench the thirst of working and playing Scouts who will be enjoying an experience in brotherhood.

For one week Scouts and leaders from across Ontario from each province, the United States and some Caribbean countries, will have an opportunity to participate in Scout- ing skills, field sports, hobbies, tours, demonstrations, water sports and many other boy-centred activities.

A highlight of the Jamboree will be "Youth and His World" an Expo approach to interest boys. They will be able to explore their many inter- ests and concerns. "Youth and His Dreams" will depict some thrilling aspects of education. Another pavil- ion will feature "Youth and His Let- sure". "The Brotherhood of Man" centre will allow the Scout to explore his faith and provide an opportunity for him to mix with some of Canada's interesting ethnic citizens. "Youth and His Music" will be a real swing- ing corner.

The Jamboree will be open to vis- itors from 2:00 p.m. to 9:30 p.m. daily.

MR. AND MRS. NEAL DAVID TITFORD TITFORD -- McADAM WEDDING

On Saturday, April 13th, at 1 p.m. in Mount Pleasant United Church, Lois Diane McAdam, daughter of Mr. and Mrs. Harry McAdam, R.R. 3, Stirling, was united in marriage to Neal David Titford, son of Mr. and Mrs. Clifford Titford, Oakville. The officiating clergyman was Rev. W. Cox. Mrs. Grant Hunter, Port Perry, accompanied the soloist, Miss Judith McAdam, Stirling. The altar was adorned with fernery and Easter lilies.

Given in marriage by her father, the bride wore a white floor-length sheath gown of imported crystal peau de soie, designed with an Empire bodice and cape with re-embroidered Alencon lace in dainty rose design and a scalloped edge. The back of

the dress was flattered by a wathau train of matching peau de soie edged with Alencon lace. Her headdress was a profusion of lace and crystal peau centred with seed pearls and crystals, from which flowed a three-tier silk illusion veil. She carried a bouquet of pink roses.

The matron of honour was Mrs. David McAdam, Oshawa, and the other attendants, Miss Janet Johnston, Harold, Miss Carol Sharpe, Stirling, and Mrs. Leslie Nelson, sister of the bride, were dressed identically in floor-length gowns of berry pink chiffon over silk taffeta. The bodices were accented by scoop necklines with a deep yoke in the back, which featured a train of Guipure lace and a self bow. The elbow-

length sleeves were a pyramid of Guipure lace with tear drop edging. All wore wedding-ring styled head-dresses with matching veils. Each carried a cascade bouquet of poms and berry pink ribbons to complete their ensemble.

The flower girls, Miss Velda McAdam, Oshawa, niece of the bride, and Miss Temi Neilson, Burlington, niece of the groom, were gowned similarly to the bridesmaids and carried baskets of white poms, ferns and pink roses.

Mr. Frank Rivier, Oakville, was groomsman, while the ushers were Mr. Tom Neilson, Burlington, Mr. Rick Cornwall, Oakville, and Mr. Fred McAdam, Stirling, brother of the bride.

Receiving the guests at the reception in the Church Hall, the bride's mother wore a powder blue crepe dress with lace coat, with matching hat and black accessories. Her corsage was white roses.

The bridegroom's mother assisted, wearing a Parisian mauve shantung sheath, with matching coat, hat and shoes. Her corsage was white roses. On the wedding trip to Western Ontario, the bride donned an American Beauty pure silk crepe dress and a coat of imported mylar in silver, lined the same as the dress, an American Beauty hat and white kid accessories. Her corsage was a white orchid.

On their return, they will reside at 527 Parkside Crescent, Burlington.

Out-of-town guests were present from London, Montreal, Hyde Park, Burlington, Hamilton, Oakville, Oshawa, Ajax, Brampton, Pickering, Cobourg, Cameron, Hastings, Bonarlaw and Belleville.

The bride was entertained at the following: miscellaneous showers, by Mrs. Grant Hubble, Stirling; Mrs. Aaron Rahn, London; Mrs. Dan Rahn, London; Mrs. Colin Robinson, Hamilton; kitchen showers, by Mrs. Leslie Nelson, Stirling, and Mrs. Ted Meredith, Oakville, and a buffet shower by her staff; presentation from her staff, Glen Echo Public School, Hamilton; and to Neal at a "stag", by Mr. Rick Cornwall, Oakville.

Couples Honoured At Mt. Pleasant

On Saturday evening, May 4th, the Mount Pleasant-Rawdon community tendered a double shower party in the Church Hall for Mr. and Mrs. Gary McMurter (nee Pauline Johnson, Toronto) and Mr. and Mrs. Neal Titford (nee Diane McAdam, of Burlington). The group was married in the Church during the month of April. Rev. W. C. Cox was master of ceremonies and extended best wishes to the newlyweds.

Mrs. W. C. Cox led the assembly singing with Mrs. Garth Joslin as accompanist. Don Campbell, banjo, and Randle Scott, harmonica, contributed several musical selections. Piano solos were played by Miss Carolyn Merrick and Miss Janet Scott. Mrs. Percy MacMullen gave a humorous reading about a wedding. Vocal duets were rendered by Greg and Lynn Joslin, Linda Potts and Judy

McAdam, Margaret Hoard and Isobel Hoard. Harvey Couch, harmonica, and son, Kenneth Couch, accordion, provided several selections of music.

The two couples were given seats of honour and the two addresses were read by Miss Jean Sharpe and Howard Jeffs. Each couple were the recipients of a substantial gift of money to purchase something for their new home. All four graciously voiced thanks.

The committee in charge served refreshments and those in attendance enjoyed a social half hour.

Mr. and Mrs. Glenn Hagerman Honoured At Minto

On Saturday, May 14th, Minto Community Centre was filled to overflowing when friends and relatives gathered to honour the recent marriage of Mr. and Mrs. Glenn Hagerman.

Mr. Ivan Sarles capably performed the duties of chairman. The evening's programme opened with community singing, led by Mrs. Vene Hagerman and Mrs. Ed. Colden. Larry and Jim Forestell, accompanied by Mrs. Joe Forestell, sang "Let The Rest of The World Go By" and Ricky Clements rendered a piano solo. A humorous skit, "Lest They Forget", featuring a mock wedding was presented. Pianist for the festive occasion was Mrs. Joe Forestell, soloist Cathy Wickens, and minister, Mrs. Ken Sine. Other members of the bridal party were Paul Heagle and Mrs. Harold Holden as bride and groom. Attendants were James Wallace, maid of honour; Mrs. Eugene McGee, best man; Ralph Clements, flower girl, and Jane Clements, ring-bearer. The guests, ushered in by Larry and Jim Forestell, included Mrs. Earl Ketchen and Mrs. Thos. Clements, as mother and father of the bride, Marylou and Betty Sine and Ruth Sarles.

Grant Hagerman relayed a very interesting travelogue, with the use of slides, of various countries on the Continent and the British Isles, as well as local events.

Dollars and Good Sense

by WILLIAM J. MARTIN

This column is a regular weekly feature prepared by the family Financial Counselling Service of the Avco Delta Corporation, P.O. Box 2820, London, Ontario. All questions submitted to the above address will be answered, in print or by return mail. Names will not be used in print. However, all questions should be accompanied by a complete name and address.

QUESTION: Dear Sir: My financial situation is a little different from some you've been writing about. Maybe I have no problem at all. But I'm interested in getting the most for my money, too. I have almost all of my savings in life insurance which has accumulated a considerable cash value. However, with inflation and the decline in the purchasing power of the dollar, I wonder if I shouldn't cash in insurance policies and use that money to "play" the stock market where there's a better chance of greater return on my investment. What do you think?

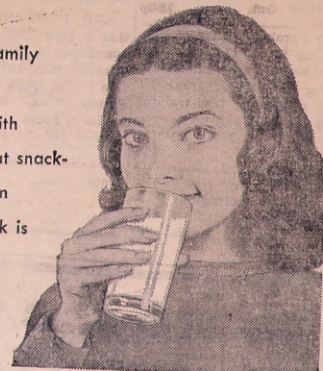

Lucky

ANSWER: I think two things. First, few people have enough money to "play" the stock market. That is a very dangerous business where the chances of losing your savings are at least as great as your chances of making money. Buying and selling stocks is a highly technical profession which requires continuing study and knowledge of the market, economic conditions and business growth potential. I am not opposed to investments in the stock market. I caution against "playing" the market unless you have money to lose. Second, we have always recommended a balanced savings program, designed first of all to protect the saver from future emergency situations demanding available cash. Therefore, I would recommend, in the very first instance, that your savings program be built upon adequate life insurance coverage, the best form of savings and protection combined. Another cornerstone of your savings program should be an adequate cash reserve, in a savings account, that will afford you the ability to live at least three months without income should that become necessary. If, having cared for these two areas, you still have funds for savings, I would recommend a safe mutual fund. Mutual funds fluctuate with the total economy and thus are not subject to the same risk potential as individual stocks which are influenced by factors too numerous to list. The next step would be investment in the so-called "blue chip" stocks which traditionally have enjoyed a relative risk-free growth with, of course, a conservative return. Finally, if after all these bases have been touched, you may want to invest some of your money in speculative stocks where you can make a lot — and lose just as much. This is the framework of a balanced savings program which I would recommend to those who can develop it.

Entered Into Rest

MRS. ALBERT E. WRIGHT

Following an illness of three days, Mrs. Clara Theresa Wright, of 152 Front St. W., Stirling, died in the Belleville General Hospital early Tuesday morning, April 30th.

Mrs. Wright was born in Ontario, 91 years ago, the daughter of the late Mr. and Mrs. Henry Berridge, and had been a resident for the past 32 years.

She was well known and highly respected in her community.

Mrs. Wright was fraternally identified with LOBA No. 655 of Stirling and when health permitted was active in the society.

She is survived by two sons, Clarence Wright, of Stirling, and Knowlton, of R.R. 2, Belleville; also six daughters, Mrs. Lucy Brown, Toronto; Mrs. Maurice (Nellie) Heath, of Belleville; Mrs. Frederick (Genevieve) Wannamaker, Frankford; Mrs. Gerald (Jessie) McInroy, Peterboro; Mrs. Maxwell (Jean) Richardson, of Milton, and Mrs. Ross (Aleatha) Storrington, of Tamworth.

Another daughter, Mrs. Elizabeth Hawley, predeceased her.

Mrs. Wright rested at the Duffin-Hogle Funeral Home, Stirling.

Rev. J. Bruce Small conducted the service in the chapel. The committal rites at St. Michael's Anglican Cemetery, at Coe Hill, were conducted by Rev. W. Tett, assisted by Rev. Small.

On Wednesday evening, the Stirling LOBA lodge members held a memorial service in the chapel.

The bearers were Charles Wright, Arden Wannamaker, Wayne Richardson, Dennis Richardson, Alvin McInroy and Clifford Stillman.

Stirling W.I.

The first meeting of the Stirling W.I. year was held at the home of the President, Mrs. Clifford Clancy, who opened the meeting in the usual way. Ten members answered the roll call with a safety hint and one visitor was present.

The minutes of the Annual meeting were read by the Secretary, Mrs. Frank Smith, and approved as read.

Mrs. Wm. West gave the treasurer's report and a nice sum was realized for the supper that was catered to for the Watkins Co. for a number of farmers and their wives recently. A number of bills were also taken care of, among them, one for a lovely Bible, the annual donation to the Junior Class at the Stirling Festival of Sacred Praise held at St. Paul's United Church.

A short discussion was held and a motion was made by Mrs. West and seconded by Mrs. E. Cooke that Mrs. C. Clancy act as delegate to the District Annual meeting to be held at Scott's Church, May 9th.

Mrs. E. Cooke was elected to be caretaker of the kitchen at the Community Hall for the coming year.

A donation was given to the Heart Fund, in memory of the long time and oldest member, the late Mrs. Clara Wright.

A short Mother's Day programme

was conducted by Mrs. M. Ward, Stirling.

Mrs. E. Cooke and Mrs. F. Smith.

Mrs. Foster displayed a picture of Mrs. Gould, another member of the W.I., clipped from the Trenton paper, and the picture was taken by Mrs. Perry Bronson on Mrs. Gould's 85th birthday, April 12th.

Mrs. Clancy closed the meeting with the Queen and invited the ladies up to the living room for lunch, as they had been quilting in the basement. Mrs. West also helped with the lunch.

Mount Pleasant

(Mrs. Percy MacMullen)

Mrs. Walter Wrightman received word on Sunday, April 28th, of the sudden death of her sister, Mrs. Harry Spice, Woodstock, the former Lois Marjorie Smith, of Belleville. The funeral service was held in Belleville on Wednesday. Several people from here visited the Pinkston and Luscombe Funeral Home, Belleville, on Tuesday and Wednesday.

Miss Barbara Williams, nurse-in-training at the General Hospital, Belleville, and her father, Mr. Stanley Williams, attended a father and daughter banquet at the Shrine Club, Belleville, on Saturday evening.

Word has been received through Professor Kingsley Joblin that the two sons of Rev. Fred H. Joblin, are steadily improving and are now taking therapy.

On Saturday evening, May 4th, after eleven p.m. approximately forty-five people gathered at the home of Mr. and Mrs. Harry McAdam and tendered the newlyweds, Mr. and Mrs. Neal Tifford, Burlington, a noisy charivari party.

Mr. and Mrs. Elwood Johnson, Stirling, attended the shower Saturday evening in honour of their granddaughter and her husband, Mr. and Mrs. Gary McMurter, Toronto.

Misses Brenda and Bonnie Williams attended a shower in Campbellford on Saturday afternoon in honour of their cousin, Miss Beverley Williams, a bride-to-be.

Mrs. Charles Bailey spent Wednesday with Mrs. Byron Seeley, at Wellman's.

Mr. Glenn Bennett and the pupils of the River Valley School enjoyed a ball game at the Allan School on Friday afternoon. The score was 9-8 in favour of Allan School.

Mrs. Stanley Williams and daughter, Barbara, attended a Mother and Daughter Tea at Education Hall, Belleville, on Saturday afternoon.

Mrs. Burton Sharpe, President of the United Church Women and eleven ladies from here attended the afternoon tea and programme, Wednesday afternoon, sponsored by Wellman's U.C.W., under the direction of Mrs. Kenneth Tompkins.

Mr. and Mrs. David McAdam and children, Oshawa, spent the week end with his parents and attended the shower in the Hall. Other relatives and friends in attendance were Mr. and Mrs. Arthur Burkitt, Bonarlaw; Mr. and Mrs. William Burkitt and Brian, Petherick's; Mr. and Mrs. Harry Grills, Seymour; Mr. and Mrs. Leslie Nelson and Miss Janet Johnston,

Edward Montgomery, who has been confined to the Hospital Wing of Hastings Manor, Belleville, for the past two years will quietly observe his ninety-second anniversary of his natal day on Sunday, May 12th.

Mr. and Mrs. Harry McAdam spent Sunday, April 28th, with her parents, Mr. and Mrs. Arthur Burkitt, Bonarlaw.

On Sunday morning, May 5th, members of Rawdon Fire Department, under the direction of Fire Chief Malcolm Mason, held their annual Division Service in Mount Pleasant United Church. Rev. W. C. Cox conducted the service and gave the message. The Bible lessons were read by Mac Mason and Jack Reid. The Junior Choir sang with Jeannette Hoard taking the solo part. The ushers were Kelvin Sharp, Larry Jeffs, Les Pyear and Don Potts.

Wellman's U.C.W.

On Wednesday, May 1st, Wellman's United Church Women entertained ladies from six neighbouring societies at a Spring Tea held in the Church. The guests were greeted at the door by the President, Mrs. Kenneth Tompkins.

Mrs. Tompkins opened the meeting with a reading and prayer and extended a hearty welcome to all present.

Mrs. Gerald Russett led the worship service, using the theme "Beauty". Mrs. Russett stressed the beauty, kindness and inspiration which we meet in daily living. The memory of these experiences can strengthen us in time of trial so that we can display true beauty of character. The devotional closed with the hymn "The Glory of the Spring" and the poem, "Kitchen Prayer".

The roll call was answered with a verse of Scripture containing the word "Beauty".

The offering was gathered by Mrs. A. Akins and Mrs. B. Seeley and dedicated by the President.

Mrs. Tompkins brought a report from the workshop held in Tweed.

Readings were given by Mrs. Ron Hadley, "A Rover", and Mrs. John Carlisle, "Psalm for Today".

Mrs. W. C. Cox sang a solo, "Shine Thou Upon Us, Lord" and Mrs. Jim Pollock and Mrs. Fred Beckett favoured with a duet, "Ivory Palaces".

Mrs. Gerald Clancy gave a piano solo "Hearts and Flowers" and served as pianist for the afternoon.

Mrs. Douglas Clancy introduced the guest speaker, Mrs. George Williams, Vice-President of Centre Hastings. Mrs. Williams had chosen for her topic "A New Dress" and pointed out that Spring is a time for renewal.

Similarly, we must put our inner life in time and clear our thoughts which are neither desirable nor Christlike, that God may guide us. This involves caring enough for others to risk everything in His service. The speaker closed with the poem "Soliloquy". Mrs. John Carlisle thanked Mrs. Williams and presented her with a gift in appreciation for her stirring address.

Mrs. Tompkins thanked the guest speaker, those who had taken part in the programme and all who had helped prepare for the afternoon.

Following the Benediction, the ladies served a delicious lunch. Mrs. Don Heath, Bethel, thanked Wellman's U.C.W. on behalf of the guests.

Maurice Bell, Stirling, Leader of Warkworth Band Since 1951

(By A. Richardson)

"The boy who blows a horn never blows a vault" is the philosophy of Mr. Maurice Bell, of Stirling, who has been bandmaster of Warkworth Community Band since 1951. This philosophy is supported by the community, the Percy Township Council, Percy Centennial Public School, the Recreation Commission and many community organizations.

Today the band has thirty members, all of whom are public or high school students. The band is affiliated with Percy Centennial School, where the band president, Mr. Wm. Isaac, gets available instruments to interested pupils. The local high school students with previous training in Warkworth band formed the core of Campbellford High School Band when it was formed three years ago. With these experienced players, progress came quickly.

The potential that has been developed by this band speaks for the enthusiasm, dedication and loyalty that has been shown since it was piloted by Mrs. Don Thompson in 1949. At that time her eleven-year old son,

Edward was getting Clarinet lessons in Peterborough. Since there were instruments available and it was possible to receive grants through the Community Programmes Branch of Education, action began. With the formation of the Recreation Commission and assistance of community organization, the band began with Joseph Minocola, of Peterboro directing until his death in 1950.

Edward Thompson developed a sense of responsibility and leadership qualities with the band. During the last decade, he has taught in secondary schools of Warkworth, Campbellford and is presently Principal of Marmora S.S. He has given instrumental instructions in the Warkworth, Campbellford, Frankford orchestra.

Band Success

Among the great strides of band pupils is one original coronet player of 1949 who in 1968 has accepted the position of music supervisor of the elementary schools in Scarborough. This is L. Garth Allen, Muso Pasd, A. Mus. He played clarinet and saxophone in Warkworth band and a local dance band until 1957 when he

STIRLING HORTICULTURAL SOCIETY

attended Western University where he majored in music. There he was president of the Gilbert and Sullivan Society for two years and he took part in those plays as well as the Music Review when he took his year at the College of Education.

In his teaching career he has taught two years at Belleville and five years in Scarborough where he was the only full time vocal teacher in secondary school. His choir at the R. H. King Secondary School are a touring choir. Just recently they again won first place at Toronto Kiwanis Music Festival. His mother, Mrs. W. G. Allen, the band secretary in 1949 stated "The initial experience in Warkworth Community Band gave him an opportunity to perform and a general appreciation of music."

His younger brother Bryce was a successful clarinet player who won many honours including the Grand Challenging for Woodwinds and four scholarships. He has played in local dance bands for several years.

Loyalty is the best characteristic to describe the President William Isaac who began in percussion section in 1950. He played in the senior band and then in 1958 when the band continued as a junior band, his services were required on the bass drum. Although there are other drummers on the snare drums, his 6 foot 3 stature is necessary for the bass drums in parades. His mother, Mrs. Leigh Isaac recalled, "His rhythm is natural. Before he was two years of age, he tapped rhythms on his high chair and on cups. His favourite was 'The Hunting Song' which introduced Jim Hunter's newscast in that era. His love of good music continued. He couldn't get along without music."

Previous to teaching school in Percy Township in 1957, he contemplated the R.C.M.P. band. Fortunately for the local area, Mr. Isaac decided that teaching would be his vocation. Nineteen year old Judy Hutchinson began on the Junior Band, and this spring when the Campbellford High School Band performed in Percy Centennial School, Judy conducted one number. At Northumberland Music Festival last year she gained seven firsts and three scholarships. Two scholarships were the Cobourg Klitke Band for the highest mark in wind instruments and the Lettice Bingham Memorial Scholarship for piano performance. Three years ago she won a Grade 3 silver medal from Western Ontario Conservatory.

Nationally known, trumpeter, David Lackey, age 20, has made his band contribution with the Princess Patricia's Canadian Light Infantry who presented a military centennial tattoo to the towns in Alberta. David is now in Cyprus and will likely do band work there.

Sixteen year old George Potter developed a local danceband in 1947 and the potential of its members has been developed in Warkworth Community Band. Edward Thompson and Wm. Isaac began playing at dances at the tender ages of eleven and fourteen years. Among his band recruits were Garth Allen, Margaret Thompson, David Turney, Alice Runniman, Bryce Allen, Don Phillip, Bob Cobbedick and Leslie McCleary. George stated, "The Junior Band was the foundation of the dance band. The pupils had no difficulty in switching from the classical style to modern dance music. I have had a few members in twenty one years who weren't initially trained in the community band."

Perhaps even more vital than these success stories would be the results of non-academic pupils with musical aptitude who gained their first community recognition in band work. He was able to create in band music, what they couldn't accomplish on paper.

These success stories fulfill the expectation of the committee in 1949. The initial committee included Mrs. Don Thompson, Mrs. W. G. Allen, Rev. H. G. Lester, Rev. J. M. Ritchie, K. L. Harden, Alan Buchanan, Mrs. M. N. Woods and the late Dr. F. B. Brintnell. The initial 30 band members were composed of 17 students and 13 adults. The adults represented many walks of life including farmers, piano teacher, orchestra leader, butcher, trucker and store clerk. The enthusiasm of the pupil is

wisely guided by the dedicated band master, Mr. Maurice Bell. He encourages beginners by saying "If you can blow on that instrument for two months, you can master it". As lessons progress they are spiced with humor and psychology. He travels miles to provide help for concerts, and parades.

Mr. Bell was playing a banjo at six years of age. He received his band training from the late Ray Hinchey. Past President of the Canadian Band Masters' Association. A native of Stirling he began instructing in 1936, the Stirling Citizens Band which later became the Stirling - Rawdon Band. He instructed in the Trenton Lions Club Band for eight years 1952 - 1959 and he formed the Marmora School Band 1960 - 1963.

His sons, Bob and Bill play with the bands of Queen's University, Warkworth and Stirling. The Bell family were with the Eastern Ontario Concert Orchestra for five years. Mr. Bell gives instruction on the banjo, guitar, mandolin, brasses, woodwind and percussion.

During the Second World War he was Band master of the Hastings and Prince Edward Regimental Band. Mr. Bell has begun teaching the second generation in Warkworth. He taught Bob Cobbedick in 1951, now he teaches his two children Laura and Larry.

Wind instruments have been used occasionally at church services in the township. Rev. L. E. Silvers of St. Andrews Presbyterian Church stated "The band gives children an opportunity to develop talents when they should be developed. The sad truth is that if they are not developed then, they never will be".

Visitors to Warkworth remark, "It's amazing that a village of six hundred people can have a band that continues year after year."

Neighbouring communities inquire about the secret of the band's continuity. It appears that the personal contact of band master, band president, and band executive is responsible.

Parents are aware that the music fee each week is well spent. It covers individual instruction, and one hour of band practice. More important being part of a band is the ultimate in participation and every note is an act of creation for the performer. Individual responsibility is as great as in athletics and discipline of practice is both individual and collective. There are physical and emotional demands for skills in rhythm, pitch, interpretation and co-ordination. Recently juvenile delinquents in London, Ontario have been sometimes given a choice of sentence — training school or police boys' band membership. The police chief there compared favourably the cost of one year's music programme in a school with the cost keeping one boy in detention for one year.

The Percy Township, Reeve, Daniel Lawson stated "The parade for Warkworth Fair and Remembrance Day wouldn't be a parade without the band. Township residents enjoy the band as much as the parades."

As band players prepare for the concert on April 28, they are receiving a present cultural enrichment, for the future, they are receiving an appreciation of music that will be valuable for extended leisure hours.

Stirling Village Council Gives First Reading To Planning Board By-Law

Several delegations were present for the May meeting of Stirling Village Council. Included were Doug Ackers and David Duffin, regarding a building permit; Ken Stapley, on behalf of Trent Valley Jamboree; Roy Tucker, requesting information for sewerage hook-up; Dr. J. Jagaciak, on behalf of Community Centres Committee; and J. V. Holt, concerning spraying of weeds.

Reeve D. W. Rodgers chaired the meeting, supported by Councillors Robt. Anderson, Robt. Hulin, Maurice Faulkner and Claude Trumble.

Correspondence

The following correspondence was read by Clerk-Treasurer W. L. Pollock:

The Minister of Highways, connecting link highways; Standard Chemical Ltd., spraying noxious weeds; Department of Municipal Affairs, administration of justice; Canadian Transport Commission, closing Stirling station; Clarke T. Rollins, Hansard Report; County of Hastings, copy of resolution and levy; Department of Agriculture and Food, arena grant; Quinte Co-Operative Medical Services, increased premium; Minister of Agriculture and Food, Community Centre Grant; Hastings & Prince Edward Counties Health Unit, water samples; The Ontario Municipal Board, quieting order; County of Hastings, Dept. of Social Services, welfare, May 1, 1968; Dept. of Public Works, Administration of Justice; Dept. of Highways, auditor's report; The Royal Canadian Legion, permission for fireworks display; Rawdon-Stirling District High School, auditor's report; Charles E. Hicks, monthly report.

Building Permit Granted For Underground Tanks

Doug Ackers requested approval for a building permit from Council to install underground storage tanks for fuel oil and gasoline on a parcel of land he had option on from David Duffin, on North St., north of Tanner's Service Station.

On motion of Councillors Anderson and Faulkner, permission for a building permit was granted Mr. Ackers, provided installation was in accordance to plan submitted and fenced as per the Gasoline Handling Act.

Ken Stapley, on behalf of the Trent Valley Country Jamboree, interviewed Council regarding rehearsal time at the Theatre. He also asked for permission to use the Theatre next Fall for the Jamboree. His requests were granted.

Dr. Jagaciak presented plans for a proposed storage building and washrooms at the Henry Street Park. These plans will be turned over to the Community Centre Committee.

J. V. Holt requested the Village to spray weeds this summer on the road allowance on the south end of Emma St. The matter was left in the hands of the Road Committee.

The communication from the Dept. of Municipal Affairs noted that the province will now pay all costs for the administration of justice.

The levy for the County of Hastings for the Village of Stirling for the year 1968 will be \$34,677.40.

The letter from the Ontario Department of Agriculture and Food noted that a grant of \$5,000.00 would be forwarded on the Hall built at the arena this past winter.

Hastings and Prince Edward Counties Health Unit noted that the Village water supply tested satisfactorily.

On motion of Councillors Faulkner and Hulin, Stirling Legion was given permission to hold their annual fireworks display at the Fair Grounds on May 20th.

Police Chief C. E. Hicks' monthly reports was approved on motion of Faulkner and Anderson.

Engagement

Mr. and Mrs. Lloyd Cooney, R.R. 3, Frankford, Ont., wish to announce the engagement of their daughter, Linda Joyce, to John Edward Reid, son of Mr. and Mrs. Percy Reid, R.R. 2, Campbellford. The marriage will take place at St. Paul's United Church, Stirling, Ontario, June 15th, at 11.30 a.m.

St. John's Men's Club

The monthly meeting of St. John's Men's Club was held on Wednesday, May 8th, with sixteen members present.

The financial picture of the Fish and Chip Suppers was discussed, with projects being left for future planning.

A possible steak fry was mentioned for the June meeting. This will be mentioned in the monthly bulletin.

Win Color T.V.

Mr. and Mrs. Harold Francis, of Crookston, Ont., were the proud winners of a 19" portable RCA Victor color television on Friday evening, May 10th, at Kincaid's I.G.A. Store in Madoc Ont. The contest is sponsored at all I.G.A. stores.

Harold Francis is a brother of Mrs. Jack McCaughen, of Stirling, and all are happy for them in being successful in the draw.

Tax Rebate \$48.52 Will Be Deducted From Tax Bill

With Council last week striking the residential rate at 110.3 mills, every home owner in Stirling will find that \$48.52 has been deducted from his tax bill which he will receive later this month. The deduction will show on the second instalment on the tax bill.

The purpose of the rebate, it was explained, was to have the provincial government assume the taxes on the first \$2,000 of assessment. In order to determine what property owners in each municipality will receive, an equalized mill rate was established which converts local mill rates to what would have been the local rate if all property was assessed at market value. Under this system, owners of residences with very low assessment may pay almost no taxes.

On the other hand, owners of large and expensive houses, even though they get the same dollar credit, will pay a larger percentage of the taxes.

The assessment factor in Stirling has been set at 22. To determine the rebate, the factor (22) is multiplied by the mill rate (which is set at 110.3) and then multiplied by two.

The rebate will not come in the form of cash but rather it will be subtracted from the individual tax bill. The tax relief rebate is expected to continue from year to year, according to Provincial Government authorities.

In the case of rented properties, the full amount of such reductions will be passed on by the owner to the tenant. The adoption of the bill will bring the total amount of provincial payments made to municipalities including the school board to \$1.2 billion.

The tax reduction measure requires landlords to give tenants the full amount of this benefit. This means that tenants in about 800,000 of the 2,500,000 households in the province should benefit from the new system.

It is stressed that the law will protect tenants against abuse, just as the public is shielded by other laws. It will establish fines for landlords who do not comply.

Paper Published Thursday Next Week

As Monday, May 20th, will be observed as Victoria Day by business places in Stirling, The Stirling News-Argus will not be published until Thursday, May 23rd. Advertisers and correspondents are asked to send in copy as early in the week as possible.

No Cubs Next Monday

There will be no Cubs next Monday because of the long week end holiday. But please, Mom and Dad, see that your boy is out for the remaining meetings this year. We know ball practice is important, too, but there are other days in the week and we leaders do get a little peeved when we've prepared instruction and only half our boys turn out to receive it. Then, too, these boys sometimes ask why they receive no badges while those who attend faithfully do. Get the point?

Yours in Cubbing,

Kim

Guests At Christening Party

At the morning service in St. Andrew's Presbyterian Church, wee Jeffrey Floud, infant son of Mr. and Mrs. Glen Floud, was baptized by the Rev. D. C. MacPherson.

Later Mr. and Mrs. H. A. Morrow entertained the following guests to dinner, Mr. and Mrs. John Schwass, Carol and Cheryl, of Stockdale; Mr. and Mrs. Ross Hubble, Wooler; Rev. and Mrs. D. C. MacPherson, Mrs. E. D. Morrow, Mrs. J. B. Thompson, Mrs. S. J. Elliott, Mrs. L. Floud, Misses Marjory Forbes and Shirley Floud and Mr. and Mrs. Glen Floud and Jeffery.

Village Council Approves Twenty Mill Hike In Tax Rate

The municipal budget for 1968, which has undergone considerable scrutiny and revision in recent weeks, was approved by Village Council in special session last Tuesday night. The new rate is 110.3 mills on residential assessment — up 20 mills from last year, and 121.8 on commercial and industrial assessment — up 21.6 mills.

In presenting the budget, Reeve D. W. Rodgers and Chairman of Finance said that the budget had been given careful consideration by the Council.

A breakdown of the mill rate is as follows:

	1967	1968
County	27.6	27.6
High School	17.0	22.2
Public School	11.6	15.4
Village Rate	24.7	32.9
Sewer	9.5	12.2
	90.0	110.3

Legion Sponsored Fireworks Canvass Very Successful

The canvass for the sale of tickets to the Victoria Day Fireworks Display was held last week and met with gratifying success. Over 150 tickets were sold at \$1.00 each and this amount will help defray display costs. The Legion wishes to express thanks for this generous response.

Tickets at \$1.00 each permit entry of the family car to the Fair Grounds and are still on sale at Tanner's Service Station, Noble's Drugs and Patterson's Men's Wear, and will also be available at the gate on the night of Monday, May 20th.

Stirling Girl Guides are planning on augmenting their funds through the sale of refreshments, as are the Boy Scouts, who will operate the popcorn concession on the grounds. It is hoped that music will be available earlier in the evening while waiting for the big bangs.

Given fair weather, this should be one of the more enjoyable events of the year.

At Workshop

Mr. and Mrs. Robert Hulin attended a workshop, sponsored by the Ontario Weekly Newspapers Association, at Prescott and Winchester, over the week end. The workshop was on offset printing.

Nephew Killed In Vietnam

John Holmes, of Mount Pleasant, received word on Saturday, May 11th, that his nephew, Donald Lowe, aged 21, was killed in action in Vietnam last week.

He was the beloved son of Mrs. C. W. Lowe, and the late Mr. Lowe, of Tacoma, Washington. He has two other brothers serving in the Army.

Crab Tree Winners

A draw was held Monday evening, May 13th, for ten Crab Trees from Horticultural Society membership stubs. These trees can be picked up at the home of the president, Mrs. Floyd Armstrong, now.

The winners were: Stanley Irven, Mrs. Anna Fanning, Mrs. Murney Scott, Mrs. Gordon Vardy, Mrs. Les Rawlings, Helen Preston, Jean Potter, Mrs. Ivan Eggleton, Frank Broekema, Mrs. H. R. Tompkins.

On your next visit to Montreal I hope you will find time to visit our new Panorama of Progress in Telecommunications. Please take this column item as my personal invitation to visit this "live" museum which is the story of the telecommunications business from Neanderthal Man to the present and on into the future. This fascinating tour through time opened last month in Bell Canada's Beaver Hall building in downtown Montreal. All the many complexities of our fascinating telephone and television history are made interesting through an Expo-like use of sight and sound. The tour's visitors have reported that you feel as though you had walked through 50,000 years of telecommunications history. A favorite of visitors already is the life-size mockup of a 19th century chemist shop, complete with patent medicines and Victorian decor and a tiny, primitive switchboard. Did you know that many of our first central offices were in chemist shops? "Central" was the word because they tended both the shop and the switchboard in the early days works was a dual role. The switchboard while today's visitors listen and watch. In the various sections of the Panorama you will see the early telephone models as well as a demonstration of the laser principle and a wrist watch that might one day give instant communication to anyone anywhere in the world. When you are ready to leave, you will find that many of our visitors are planning a trip to Man and His World this year — to visit the new Panorama. I'm planning to do so next time that I'm in that city. My visit is on Monday to Friday from 9 a.m. to 4 p.m. and eloquent hostesses will be on hand to show you through 50,000 years of communications history.

"An unswerving regularity of irregularity" - that was how Mark Twain described his career. He was a river pilot, a printer, a soldier, a reporter, a miner, a lecturer, an author, a humorist, a publisher, an editor, and -- unfortunately -- an investor. Twain was always ready to write checks to finance -- and finance unusual inventions -- such as a spiral hat pin, a self-pasting scrapbook, and nearly a hundred other products. But his investments never seemed to turn out right, and finally he decided he had learned his lesson. To the next stock offered him by a young inventor, he said, "absolutely and positively not". The inventor? Alexander Graham Bell.

Not long ago in Chester, England, phones began ringing constantly for no apparent reason. When they were answered, there was nothing at the other end but an ominous silence. Telephone men investigated for months with no luck. Finally the truth was written in the city zoo: A giraffe named George was contentedly licking a switch across his enclosure, and short-circuiting all the phones in the district. When phone poles had to be raised four feet to put them in contact with George's giraffe heads, the result: a lot of happy phone subscribers and one very unhappy giraffe.

River Valley W.I. News

(By Mrs. Percy MacMullen)

On May 9th, the 67th Annual Meeting of Hastings West District Women's Institute was held at Scott's United Church Hall with Uniondale as hostess Branch, and they served an attractive salad plate luncheon at the noon hour. The President, Mrs. Gerald Irvine presided and the Secretary-Treasurer, Mrs. Vernon Harry, gave the financial statement.

Mrs. Percy MacMullen read the auditors' report, for her and Mrs. Carson, and in the afternoon she gave the Courtesy Message.

Mrs. Roy Tucker introduced the guest speakers, Mrs. Rex Rollins, Board Director, Miss Mary McEachern, Home Economist, and Mrs. R. C. Walker, from the Department.

Mrs. Gerald Brooks, convenor of Home Economics and Health, summarized the work of the eight Branches in the District. Mrs. Allan McDonnell brought a message re The Farm Safety Council.

Mrs. Roy Bush, the District Tweedsmuir Curator, displayed the book and reported her work.

Mrs. Ernest Carr gave the highlights of Centennial Year at River Valley W.I.

Mrs. Glenn Bush was District Director for River Valley with Mrs. Sheldon McIntosh as alternate. Mrs. Jack Bush was in attendance at the morning session.

A surprise presentation took place when Mrs. Roy Bush was called to the platform and Mrs. Cecil Jeffrey eulogized the work of Mrs. Bush throughout the years, after which Mrs. Irvine made the presentation of an Institute cup and saucer and the recipient graciously replied. A River Valley friend, Mrs. Glenn Brooks, sang the hymn which Mrs. Bush had composed in Centennial Year, "O Father, Lord Eternal", with Mrs. McIntosh as accompanist.

Mrs. Jeffrey said, in part: Mrs. Roy Bush joined River Valley Women's Institute in 1925 and has held nearly every office in the Branch. At present, she is the Tweedsmuir Curator of River Valley Branch and also of Hastings West District. Recently she sponsored a Tweedsmuir Tea in her home, a workshop and a District Curators' meeting at the school kitchen.

Bessie served as president of Hastings West District for two years, 1949-1951, and has held other District offices. As a young girl, Bessie assisted her mother in the arranging of the school house for Institute and church meetings. She taught Sunday School in the Valley. She has been, and still is, very active in all community activities. She has helped with school fairs, Stirling Centennial in 1958, Stirling Fair Parade, 1967, and is also active in various phases of church work.

In Centennial Year, she composed a prayer hymn for which she received recognition throughout the area. During the years, she has assisted with the preparation of Stirling Centennial Book, Historic Hastings and The Rosebush History. In February, 1968, she was awarded the Centennial Medal when her name was recommended by Sidney Township Council.

At our meeting today, we all wish to share with Mrs. Bush in her various achievements and on behalf of Hastings West District we ask you to accept this gift as a memento of our good wishes.

Signed by The District Officers
Mrs. Ted Evans was in charge of The Pennies for Friendship Ceremony which amounted to \$87.21. This fund was revived in 1959 in this district by Mrs. Percy MacMullen, after she attended the Guelph Officers Conference and learned how very important pennies were in order to carry on the work of The Associated Countrywomen of The World.

The amounts placed in the basket by the eight A.C.W.W. convenors were as follows: Bay of Quinte, \$8.00; Chatterton, \$9.25; Sidney South, \$8.27; Stirling, \$9.00; River Valley, \$20.00; Pinegrove, \$6.74; Wallbridge, \$12.35; Uniondale, \$13.60.

River Valley Branch has four officers in the District for 1968-69,

namely, Mrs. Roy Tucker, 2nd Vice-President; Mrs. Vernon Harry, Secretary-Treasurer; Mrs. Ernest Carr; Alternate District Delegate; Mrs. Gerald Brooks, Convenor of Home Economics and Health.

Stevens -- Desrochers Wedding

Nancy Jane Desrochers, daughter of Mr. and Mrs. Omer Desrochers, 27A St. Charles St., Belleville, and Edward George Stevens, son of Mrs. George Stevens, and the late Mr. Stevens, 18A Front St. W. Stirling, were united in marriage on Saturday, April 20, 1968 at 10:30 a.m. in St. James the Minor Church, Stirling. Rev. Father James F. McGarvey officiated. Miss Roseanne McAvoy was organist.

Given in marriage by her father, the bride wore a ballerina length gown of white net over organza with fitted bodice and long, lily-point sleeves. Her headpiece was a tiara of rhinestones from which flowed a shoulder-length silk illusion veil.

Her attendants were two of her sisters, Mrs. John Long as matron-of-honour and Miss Wendy Desrochers as bridesmaid.

They wore street-length blue dresses with matching headpieces.

Mr. Wayne Sweet, Newmarket, R. R. No. 1, was groomsmen. Mr. Bill Richardson was the usher.

The reception was held at the home of the groom's mother. The bride's mother received in a navy blue dress with white accessories. The groom's mother assisted in a pink and blue heathertone dress with beige accessories.

For travelling the bride donned a three-piece pink suit with white accessories.

Out-of-town guests were present from Oshawa, Belleville, Newmarket, Omeme, Lindsay, Etobicoke, Toronto, Kingston and Frankford.

The young couple will reside at 27A St. Charles St., Belleville.

Deputy Clerk-Treas. For Hastings

Mr. Edward Smith, 26, a former accountant with Durham and Northumberland counties, has been named Deputy Clerk Treasurer for the County of Hastings.

Mr. Smith will assume his new duties on June 3rd.

The decision to hire a deputy clerk treasurer was made at the March session of County Council when the added responsibility of County Administrator was given to Clerk Treasurer Carl E. Bateman. Council was told that the mounting volume of work in the Clerk's office made the appointment necessary.

Mr. Smith has completed an extension course in municipal accountancy from Queen's University and is now in the second year of his certified accountant's course.

Married, with one child, Mr. Smith comes to Hastings after two years as office manager with Harden and King, of Cobourg.

Spring Brook UCW

The regular meeting of Spring Brook United Church Women was held Thursday afternoon in the Church Hall.

The President, Mrs. George Williams, opened the meeting with a quotation from the catechism, "What duty do we owe to the Church?"

The worship period and programme were taken by the Supply and Welfare Committee. Mrs. G. Thompson gave the prayer and read the Scripture. The theme was "Mothers of the Bible", and a special hymn for mothers was sung. Mrs. Jim Spry, Mrs. B. Storms, Mrs. C. Burditt and Mrs. Bert McCoy read stories of mothers of the Bible. Mrs. Florence McKeown gave the topic on Japan. Mr. Apps showed a very interesting film on Japan, which was enjoyed by all.

The hostesses, Mrs. S. Downer and Mrs. Beverly Storms served lunch and a social time was enjoyed.

The next meeting June 5th will be Guest Day.

RIVER VALLEY WOMEN'S INSTITUTE

Ten members attended Hastings West District Annual at Scott's United Church Hall on Thursday, May 9th.

June 2nd — Hostess, Mrs. Sheldon McIntosh. Convener — Mrs. Percy MacMullen. Roll Call — A verse from an old school reader. Reports and Current Events.

as you on the road and a little more tolerance from you may breed better attitudes by all concerned, not to mention the safety aspect.

There were two accidents reported during the week of April 28th to May 4th, 1968, both of a property damage nature, with no personal injury accidents.

Officers of the Madoc Detachment investigated 63 occurrences; 5 for theft; 1 break and enter; 3 disturbances; with 54 miscellaneous occurrences.

Fourteen hours were spent in Magistrate's Court, Madoc, Ontario, with Magistrate R. C. Jackson registering 36 convictions.

Twenty-three vehicles were safety checked, with 34 traffic warnings issued and 22 charges laid under the authority of the Highway Traffic Act of Ontario.

Remember that although there are more daylight hours in which to do things now, this does not mean that you, as motorists, should get careless in regards to the use of flights. Some vehicles are naturally hard to see near dusk due to their colour scheme.

In Memoriam

REID — In loving memory of a dear son and brother, Richard (Dick) Allen Reid, who passed away May 11, 1964.

He would not wish for sadness, He never cared for fuss, But just to be remembered And loved by all of us.
— Sadly missed by Mother, Brothers and Sisters.

REID — In memory of Richard (Dick) Reid, who passed away May 11th, 1968.

Although we smile and make no fuss, No one misses him more than us; And when old times we oft recall, That's when we miss him most of all.
— Deeply missed by Burton and Verna Woodbeck and family.

REID — In memory of Richard (Dick) Allen Reid, who passed away May 11th, 1964.

Time may heal a broken heart, Time may make the wound less sore, But time can never stop the longing for a friend
That's gone on before.

— Ever remembered by his friend, Myrtle.

REID — In memory of a dear son and brother, Clifford Gordon Reid, who passed away May 7, 1961.

The years are quickly passing, Though still we can't forget, For in our hearts that love him His memory lingers yet.

— Sadly missed by Mother, Brothers and Sisters.

WANNAMAKER — In loving memory of our dear mother, Lucetta Millsia, who passed away May 13, 1958. Time takes away the edge of grief, But memory turns back every leaf, You, dear Mother, rest in sleep, Your loving memory we will always keep.

— Sadly missed by daughters, Aleatha, Mabel, Laura; and Earl, and families

Oak Hills Flying Club Constructing North-South Runway

Fasten your seat belts because the Oak Hills Flying Club is growing — in the air and on the ground. The Oak Hills Flying Club is 4 years old now and held its 4th Annual Meeting on Tuesday evening, May 7th at River Valley Public School, with approximately 40 members present.

The President, Allan Lawes, gave a summary of the growth of the club in the past year. He pointed out the increased membership enrolment and numerous activities. This summer, the Flying Club will be using two instructors on alternate week ends for new Student Training. The Oak Hills Flying Club now has a two-way radio, approved by the Department of Transport for ground to aircraft voice communications. The Club membership is now working on an addition to the present Club House. A north-south runway is now under construction and will be ready for "taking off" in a couple of weeks.

With the rapid expansion program going on at present, the president asked for the continuous co-operation of all members for the success of the Club's activities in the coming year. The new executive for the coming year is:

President — Allan Lawes

Vice-President — Hadley Richardson

Secretary — Margaret Farrell

Treasurer — To be appointed

Directors — Bob Sweet, Jack Locke, Doug. Farrell, Wilf. Turner, Bill Graham.

Mount Pleasant

(Mrs. Percy MacMullen)

On Saturday afternoon, May 11th, Miss Barbara Williams, daughter of Mr. and Mrs. Stanley Williams graduated as a nurse from Belleville General Hospital in a service held at the Belleville Collegiate. A reception in her honour followed at the home of her parents. The guests in attendance were: Mr. and Mrs. Ray Williams, Mr. and Mrs. Roy Williams, Miss Beverly Williams and Mr. Tom Burdick, Campbellford; Mr. and Mrs. Harold Johnson, Karen and Kathy, Stirling; Mr. and Mrs. Arthur McAnn, Eldorado; Mr. and Mrs. Osborne Smith, Peterboro; Rev. and Mrs. Elgie Joblin, Toronto; Miss Phyllis Tamlin, St. Thomas; Mr. and Mrs. Kenneth Sager, Mr. Jody Sager, Miss Jayne Doran, Belleville; Mr. Ed. Dushkin, Read; Mr. and Mrs. Herbert Smith, Mr. and Mrs. Kenneth Weaver.

Mr. and Mrs. Sid Williams entertained their family on Mother's Day. Mr. and Mrs. Robert H. Hoard and children spent Mother's Day with her parents, Mr. and Mrs. C. Tamlin, of Cambray.

THANK YOU!

I wish to express my thanks to all my Avon customers during the past two years. Your patronage was very much appreciated. Mrs. Gladys Smith will now be looking after my Avon territory and trust you will give her your continued support.

Dollars and Good Sense

by WILLIAM J. MARTIN

This column is a regular weekly feature prepared by the family Financial Counselling Service of the Avco Delta Corporation, P.O. Box 2820, London, Ontario. All questions submitted to the above address will be answered, in print or by return mail. Names will not be used in print. However, all questions should be accompanied by a complete name and address.

QUESTION: Dear Sir: Recent personal events have convinced me—absolutely—that I must have a budget on which to live. Can you help me out with an ideal budget, perhaps with the various percentages of my total income which would be spent for the various spending categories.

D. McD.

ANSWER: No, I can't give you any percentage breakdowns (although there are plenty of places where you can get such percentage breakdowns), primarily because I don't believe in them. I believe that a budget is a very personal thing, designed to help families get the maximum satisfaction out of the dollars they have to spend. Therefore, I think it is ridiculous for one person to tell another how to spend his money. Instead, I suggest the following steps for the development of a budget that will be tailored to your own needs and wants. First, determine exactly how you are spending your money. Keep an accurate record of every penny you spend for one, no

more than two months. Then categorize the way you have been spending your money, into food, clothing, shelter, house operation (heat, light, etc.), transportation, savings and other. Then evaluate your spending categories, asking yourself this question: "Is this the way I want to spend my money?" Perhaps you will decide that you'd rather spend a little more on food and a little less for clothing. Perhaps you'll decide that you want to save a little more than you have been saving and that you're willing to spend less for entertainment in order to save more. In any case, when you have finished your analysis of your spending, you will have arrived at dollar amounts—within your income—for each of the spending categories that will be most satisfactory to you. That is your tailor-made budget. Now, just one more word. From that point on, you need not do any penny counting. Just vow to stick to the limits which you have established in each of the spending categories and you will be living within your budget—Good Luck.

IVANHOE W. I.

Mrs. Howard Cooke opened her home for the May meeting with a good attendance. The President, Mrs. Russell Sills opened the meeting with the Institute Ode and Mary Stewart Collect. Roll Call was answered by each member giving 10c toward the District Annual fees.

During the business it was moved by Tillie Cook and seconded by Molly Haggerty that we buy Drapes for the hall and glasses for our kitchen. The President discussed the June wedding that we are to cater to. Cards of Thanks were read from Mrs. John Wallace and Mrs. Lila Adams.

Mrs. Elmer Wood and Mrs. Bill French each gave readings. Mrs. Dan Cooke gave the motto and Mrs. K. Tuinman who attended the District Annual at Guelph brought back a very interesting report.

The girls from the Girls' Home-making Club attended this meeting and Margaret Sills gave the commentary on their years' work, Accent on Accessories.

Mrs. Arthur Wood thanked Mrs. Howard Cooke for opening her home. The meeting closed with the singing of O. Canada and Mrs. Howard Cooke and her assistants served lunch.

Bonarlaw

(Mrs. Arthur Burkitt)

A 300-lb. bear was shot on the farm of Wm. Neal this week.

Mrs. A. V. Brown, Mrs. J. Prest, Mrs. W. J. Barlow attended the A.C.W. convention at Christ's Church, Belleville.

Mr. and Mrs. Jas. Meneely, Oshawa, Mr. and Mrs. Harry McAdam, Mount Pleasant, Mr. and Mrs. Bob Donohoe, Belleville, Mr. and Mrs.

Gerald Burkitt and Jim, Mr. and Mrs. Wm. Burkitt and Brian, Miss Shirley Girkitt and Dave Roberts, Campbellford, visited Mr. and Mrs. A. Burkitt on the week end.

Mrs. Doug. Brownson and infant son returned home from Belleville hospital on Saturday.

The A.C.W. held their regular meeting at the home of Mrs. Hugh Jones on Thursday afternoon.

Mr. and Mrs. Ross Dickie spent the week end with friends at Brantford and attended the wedding of their granddaughter.

Mr. and Mrs. Gordon McLellan and Brenda, O'Onto, spent Saturday at their summer home, Bonarlaw.

Misses Joan McPaul and Diane McKeown, student nurses at Civic Hospital, Peterborough, spent a few days at their homes here.

Red Shield Appeal

A few days ago a woman came into The Salvation Army's headquarters.

She was poorly dressed, and uncertain in manner. Maybe she was frightened, but there was one thing she was very certain of—that didn't frighten her in the least. A number of people were in the office, but they looked away and suddenly became very preoccupied as she gave seven-

ty-five cents to the Red Shield campaign. No canvasser had called at her home which was only a small room in an older house, but she didn't want to be left out. The officer wrote out a receipt and gave it to her and she left. What she had bought with her seventy-five cents was more than she could have received anywhere else. For it's not what you give but what you share that counts. The gift without the giver is bare. Your home won't be left out by the Red Shield canvasser. It will be easier for you, but you'll receive just as much in return as the poorly dressed woman of undetermined age. A receipt saying "thank-you", and a feeling of participation and warmth that you have shared also.

Rylstone UCW

Mrs. Lloyd Anderson was hostess to the members of Rylstone United Church Women for their May meeting recently. There was an attendance of ten ladies and three children. The roll call was answered by a Bible verse containing the word "Faith".

The president, Mrs. Clarence Thomson was in charge of the devotions and was assisted by Mrs. Lloyd Anderson, Mrs. Truman Miller and Mrs. Ross Dickie, who read passages of Scripture. After the Lord's Prayer was recited in unison, the hymn "Unto the Hills" was sung. Mrs. Robt. Spencer gave a very interesting Bible Study on "Genesis and Exodus".

Mrs. Wilfred Spencer gave a reading, "The History of the Hymn 'Faith of Our Fathers'", and the hymn was sung. Mrs. Ross Dickie read "The Old Church" and Mrs. Lindsay Finch read "Wanderers' Home Sweet Home". Mrs. John Spencer read "The Sabbath Day".

The hostess served dainty refreshments.

Their unhappiness is due to illness—they're sick of each other.

Family Fares Make Headlines

On a glorious spring morning the headline that read "CNR Will Raise Fares" wasn't half as discouraging for holiday planners as it sounded.

True, the corridor between Quebec City and Windsor, Ontario, will have to adjust to a 10 per cent raise, but for families who want to see Canada by the worry-free way of rail travel, there are substantial concessions.

For instance, special travel fares will be offered to families providing for a discount of 10 per cent on the total package. Travel to and from the Atlantic provinces will not be affected if the distance is more than 600 miles.

Too often we read only the headline without mentally digesting the meat of the report. I might have discarded plans I had for this column describing the beauty and fun that can be enjoyed in Vancouver if I had missed the impact of the family plan offered by CN.

I have always advocated travel by rail for families because it gives 'old dad' and 'tired mom' a chance to relax and enjoy their holiday. Especially when they reach a tourist paradise like the west coast, or that glorious holiday playground, the Maritime provinces. It is both economical and rewarding to travel by rail. Realizing it is possible to hire a car for sight-seeing at one's destination, makes a travel-by-rail holiday a real adventure.

During the height of the tourist season in mid-July, Vancouver celebrates its annual Sea Festival. A fleet of 14 ships from three different navies took part in a Canadian Centennial Review last year and were later opened for public inspection.

It was during this Festival that I clamored up gangways and up and down steep steel stairways while viewing with interest an Amphibious Transport Dock commissioned to the United States Navy suitably named USS Vancouver.

That same afternoon a visit to Stanley Park seemed appropriate. I wanted to see Siwash Rock where Pauline Johnson was reputed to sit gaining inspiration from the calm harbour and rugged scenery for many of her poems. Nearby on Ferguson Point there is a monument commemorating this famous Canadian author in whose veins ran the blood of our first citizens, the North American Indians.

Famous Playground

Part of the fun of an afternoon spent in Stanley Park is watching the antics of the various species of penquins. There is also a playful

killer whale to be captured. The first was Moby Doll, who created more curiosity and commanded a greater degree of newspaper space than many earth-shaking events during the summer of 1966. Recently a mate for Skena was caught.

Next to Niagara Falls, the huge Douglas firs in Stanley Park make more sentimental background for honeymoon pictures than possibly any other of nature's phenomena in Canada. There used to be one tree so huge a car could be driven right through the middle of its trunk. The first are in constant competition with the totem poles on Pleasant Point as subjects for shutter bugs.

Breathtaking and rewarding view-wise is the Skyride up Grouse Mountain. Once at the top it is a marvelous place to dine and usually rates two trips, one by daylight and one at night.

Salt water bathing at the several beautiful beaches is a must. The sea is always warm during the holiday season and the stretches of sand make sunbathing an experience to write home about.

There are many, many more tourist attractions than I can enumerate, such as China Town, Capilano Canyon, Queen Elizabeth Arboretum, harbor cruises, Queen Elizabeth Theatre and the little shops where you can buy anything from Irish linens to Oriental art treasures.

Vancouver is a fun place. Don't miss it. Take the whole family.

When hanging a coat or dress on the line, use two hangers hooked in opposite directions and the wind will not blow the garment off.

When frying with butter, put several drops of cooking oil in the pan first, then the butter will not burn.

Diet Togs

I can think of no more interesting pastime than to sit in and listen to the conversation as the Senior Citizens gab while playing their games. One of the topics frequently indulged in is "Diet". Everybody's on a diet —

Now, Flossie Geen and Florence Hough busted the diet notion all to heck last week as they tempted us with loads of good things to eat. Men loosened their belts or undid a button while the girls had to just grin and bear it. Girdles snapped — buttons flew and elastic stretched as the serving plates were emptied, and the food disappeared. There's one advantage the nudists have over us. All they do is bulge.

This reminds me of the term, diplomacy — which is the art of convincing one's wife she looks fat wearing a mink coat.

Maybe our Club should introduce dancing to use up those extra calories. And speaking of dancing, we heard that "the rumba" is an asset to good music.

One of our Senior Citizens handed me this —

Weary husband: "If I had it to do over again, I'd marry a Japanese girl. They're pretty, graceful, obedient... and your mother-in-law is in Tokyo." (Thanks, you euche shark.)

See you Thursday,

"Dis ole Scribe"

Guide Notes

The seven Guides trying for their Hostess Badges were most disappointed last Monday night when the Bancroft Guides did not show up. The girls had prepared an interesting meeting and a delicious lunch and then had no one to serve. Unfortunately, the girls will have to try again for their badges.

Next Monday night the Guides will be selling drinks at the Fireworks display at the Fair Grounds. Patrol Leaders and Seconds are asked to meet at the Fair Grounds at 7.30 p.m.

Keep Smiling,

Capt. Pitman

Square Dance Club Still In Action

Monday evening, May 13th, was another enjoyable evening for about 40 enthusiastic square dancers, local and from neighbouring clubs.

"Open House" was held a short time ago with five or more squares in action. Several guests were in attendance as well as visitors from other clubs. Doughnuts and coffee brought a very successful evening to a close.

The end of the season approaches when the local freshman and lady square dancers will receive graduation diplomas for the past season's knowledge of modern square dancing. Everyone is looking forward to continuing next Fall with advance dancing and enthusiasm abounds for a beginners' club also. Please keep this in mind and watch for future plans.

The "Stirling Swingers" have arranged some summer activity so members can keep in touch and perhaps get in a bit more dancing.

Letter To Editor

Dear Sir:

I very much enjoyed reading your Wednesday, April 24th edition while travelling down the beautiful Trent Valley a week ago.

Your lead editorial "Letter to the Editor" in the form of a very clever story entitled the "Sleepy Hollow Hamlet" was most timely and engendered some deep thoughts on the past history and the future of the magnificent section of Canada to which you are the heirs.

A most significant warning to all your forward thinking citizens and planners was indicated. The home owners who have been wise enough to purchase view lots on the slopes of the Valley and to erect lovely homes must be deeply concerned at the mixture of optimism and progress contrasted with signs of lethargy and neglect.

Your civic leaders and planning

boards have a great responsibility and no time can be lost in working with over-all authorities to follow out the ideas of your "Sleepy Hollow" writer.

With every good wish to the residents of the whole heritage of the Trent Valley,

Yours faithfully,
Reg. H. Bousfield

A LETTER TO THE MOTORING PUBLIC

One of the major problems on all cars today is keeping the front end of the car properly aligned, so that on today's modern high speed highways, undue amount of tire wear is not experienced.

Front-ends are easily knocked out of adjustment by bumping against curbs, hitting potholes and sudden stops. According to statistics, over 50% of the cars on the road today have front-ends which need realignment.

Recognizing this problem, we at Stirling Motors Ltd., have just installed the very latest in front-end alignment and wheel balance equipment. This is a new electronic machine called OPTOFLEX. The camber, caster, load change and king pin inclination are read directly from an enlarged picture photographed on a screen. This shows the correct adjustments which can easily be made.

We believe that this machine, along with our new off-the-car wheel balancer, representing an investment close to \$5,000.00, will provide Quinte district motorists with the finest in front-end equipment.

We invite you to make an appointment to have your car checked now before summer driving begins.

Yours truly,

GEORGE LOSHAW,

KEEP STIRLING CLEAN —

Local Chamber Commerce Sponsors Public School Essay Contest

The Retail Section of the Stirling Chamber of Commerce in co-operation with Principal Edmund Fleming, has recently completed an essay competition. The school pupils were divided into four divisions, with winners declared in each group.

The object of the project is to encourage the pupil to keep the village streets cleaner and not be a "litter bug".

For the next few weeks various winning essays will be published in the News-Argus. This week the first place winner in the Intermediate group is chosen. Watch next week for more winning essays.

Several posters are also on display in the News-Argus west window.

LITTER BUG TOWN

The sun was shining brightly as the dainty, light blue trailer was hauled quickly along the dusty roads by a shiny, white stationwagon. Soon the quickly-moving procession came to a halt in front of a battered old road sign which read "Tidy Town", with a stroke through it, but under it it said "Litter Bug Town" in big, black letters.

After they had left the sign a few yards behind, Charlene Summers and her parents found that the roads, streets, lawns, parks and swimming resorts were covered with litter, such as papers, cans, boxes, bags and broken glass.

"Now I understand the meaning of Litter Bug Town," Charlene explained, as she pointed out dirty, littered streets and sidewalks. As they drove on further, she pointed out auto-wrecks lying in ditches and what was left of burned houses, caused by litter.

All of a sudden there was a bump, bump, bump, and the car began to swerve while Mr. Summers had to fight to keep from running off the road. How Mrs. Summers screamed! After a while, the car was under control and was parked on the roadside. Mr. and Mrs. Summers jumped out of the car, followed by Charlene.

"The left, front tire has blown," Mr. Summers called to his family.

"Eek!" screamed Mrs. Summers, as she slipped on a banana peel. Running over to help her up, Charlene stepped on a piece of broken glass and put a cut in her foot. After they had changed the tire, the Summers took Charlene to the doctor.

Anglican Parishes Stage Miles For Missions Walk

The Anglican Parishes of Stirling, Frankford, Glen Miller, Marmora, Bonarlaw, and 12th Line Rawdon, staged a Miles for Mission March on Sunday afternoon.

Some sixty people started out from Marmora and practically all made the sixteen mile distance to Stirling.

Dave Short, Stirling, set the pace, competing the trip in two and a half hours.

Several hundred dollars in pledges was realized for missions.

Following the walk on outdoor barbecue was enjoyed at the rectory in Stirling.

The waiting room was so full of people with polio that Charlene had to wait for hours to be treated. After her foot had been treated, Charlene said to her father: "Let's get out of here before we're killed."

Soon the same white stationwagon was pulling the same blue trailer past the same battered sign and back to their same home, to think of a cleaner and safer place to spend their holiday.

We have many visitors and tourists stop at our village of Stirling, so let us make a good impression, instead of driving them away.

Engagement

Mr. and Mrs. William O. Parm, Belleville, Ontario, wish to announce the engagement of their daughter, Barbara Jane, to Mr. Robert E. Burrell, son of Mr. and Mrs. R. Gordon Burrell, R.R. 2, Stirling, Ontario. Marriage to take place in College Hill United Church, Belleville, Ontario, on Saturday, June 22nd, 1968, at 2 p.m.

To Form Arthritis And Rheumatism Society Branch

A meeting will be held tonight (Thursday) at the Stirling Community Hall, at 8 p.m., for the purpose of forming a branch of the Canadian Arthritis and Rheumatism Society in Stirling.

A film will be shown, along with lectures. It is also hoped to appoint a committee.

The purpose of the committee is to publicize and help educate the public on the intent and aims of the Society; To help establish a local consultation clinic so physiotherapy can be provided locally; To assist in fund raising programs; To help arrange appointments and transportation for those in need by periodic volunteer service.

It has been pointed out by our local medical practitioners that there is a definite need for this service in Stirling and district. Please come and bring a friend. If you know a rheumatoid sufferer encourage him or her to come. A very small effort by a few people will make this service available locally.

Fireworks Display

The Community Fireworks Display, sponsored by the local branch of the Royal Canadian Legion, attracted a large crowd at the Fair Grounds on Monday evening. Those in attendance were treated to a colourful and exciting display.

All reports indicate that the refreshment booth operated by the Girl Guides and the pop corn concession by the Boy Scouts, did a thriving business.

Masons Attend St. Paul's

The officers and members of Stirling Lodge, A.F. & A.M., No. 69, G.R.C., attended St. Paul's United Church Sunday morning for their annual church service.

During the service, Worshipful Master Harry Vandervoort and the Chaplain, Murray Johnston, read the scripture lessons.

Rev. J. Bruce Small delivered the sermon on the subject, "Man and Man's Sin."

Laurel Lodge News

Laurel Rebekah Lodge held its regular meeting on May 14th, with a good attendance. The Past Noble Grands held the officers' chairs for this meeting, with Sis. Hilda Rose acting as Noble Grand and Sis. Mary Hullin as Vice-Grand, with Sis. Verna Woodbeck, N.G., conducting the business portion of the meeting.

During the evening, Sis. Lillian Johnson presented Sis. Grace Vandervoort with a corsage of red roses on behalf of the Past Noble Grands' Club on the occasion of her birthday.

Following Lodge, a short program amusing millinery parade entitled "Hats of Tomorrow", which was thoroughly enjoyed by all.

A delicious lunch of sandwiches, pickles, cheese, tarts and squares was served by the Past Grands in the Hall. Sis. Eileen Woodcock thanked these Sisters, on behalf of all present.

Guide Items

The Guides had a successful evening selling drinks at the Fireworks Display. We would sincerely like to thank Mr. Bruce Glendinning for improvising lights for us; Mr. Elwood Wilson for helping out in many ways; Mr. Carl Pittman for the use of his car, and the Stirling Legion for planning the display and inviting us to sell drinks. Oh, yes, we would also like to thank the Venturers for using lots of salt on their popcorn.

Next Monday, May 27th, is our annual Mother and Daughter Banquet. It will be held at St. Paul's United Church at 6.30 p.m. and will cost \$1.25 per plate. Will each Patrol Leader please remember to have her part of the programme well organized.

Be seeing you on Monday.

tained their daughters, Mrs. Bob Run-
nalls, her husband and family, Har-
old, and Mrs. Ralph Thompson, her
husband and Helen-Anne and Larry,
Spring Brook, on Mother's Day.

Health Tips From The O.M.A. Strokes

Strokes usually are caused by one
of three varieties of disease process-
es, the Ontario Medical Association
reports. The most common of these
is thrombosis, which is a plugging of
the arteries of the brain. Beyond the
point of the plugging of the artery,
the brain tissue dies.

Symptoms of thrombosis, include
short episodes of weakness, dizzi-
ness, difficulty in seeing, numbness
and tingling in the arms or hands.
Relief from these symptoms some-
times can be brought about by the
use of blood-thinning agents known
as anticoagulants. These medications
must be used with extreme caution
by experienced physicians.

Cerebral hemorrhage, or bleeding
into or around the brain, is the sec-
ond most common cause of strokes.
There are two varieties of cerebral
hemorrhage: one related to high
blood pressure, which is often fatal,
and the other a rupture of a berry-
like swelling where the arteries di-
vide, which is less often fatal. Cere-
bral hemorrhage often can be pre-
vented by the control of high blood
pressure.

The third most common cause is
the release of an embolus or small
blood clot into the circulation, which
in turn plugs a brain artery, causing
paralysis. These embolic strokes usu-
ally follow changes in the heart
valves brought about by rheumatic
heart disease. Blood-thinning agents,
frequently used by doctors caring for
patients with rheumatic heart dis-
ease, sometimes reduce the frequen-
cy of embolic strokes.

The O. M. A. advises that many
strokes can be prevented, or reduced
in severity, if treatment is com-
menced soon after the first symptoms
appear.

Do You Remember?

— TWENTY-FIVE YEARS AGO —

ISSUE MAY 20th, 1943
The community was saddened when word was received of the death of Pilot Officer Stuart Kerby, of the RCAF, in Africa.
Ezra S. Nicolson, of town, was instantly killed late Saturday afternoon when the automobile he was driving was hit by the electric engine of the Canada Cement Co. at a level crossing 5 miles east of Belleville on Highway No. 2.

Roeli Oosting Intermed. Champion Track and Field

Several girls from the local High School are to be congratulated on their successful efforts at the Girls' Track and Field Meet held at Trent Secondary School, Saturday, May 11th.

Roeli Oosting placed first in all events entered — long jump, triple jump and hurdles, to win the Intermediate Division Championship. Roeli also set a new record in the triple jump — 33 ft. 2 1/2 in.

The other successful competitors were: Susan Tucker, 3rd in Junior hurdles event; Janice Edwards, 3rd in the Junior discus throw; Jane Bush, 4th in the Junior discus; Heather Maguire, 2nd in the Intermediate shot put; The Intermediate Relay Team, 4th place. Girls on the team were Patsy Patterson, Judy Heath, Sheila Richardson and Roeli Oosting.

All girls who placed in their respective events went to the COSSA Meet held Friday, May 17th, in Peterborough.

Bethel U.C.W.

On May 16th, the regular meeting of Bethel U.C.W. was held at the Church Hall. The President welcomed the members and visitors and read a poem, "Mother".

The worship service and program were in charge of Mrs. B. Heagle. The Scripture was read by Mrs. I. Sarles, taken from St. Luke 12. Mrs. Heagle gave the meditation on the theme, "Miracle of Springtime", followed by prayer. The hymn, "This Is My Father's World" was sung.

Miss Lori Holden gathered the offering. Readings were given by Mrs. F. Reid, "The Old-Time Family" and Mrs. I. Sarles, "Garden Time". Mrs. O. Lightle gave a summary of an interesting talk by Mrs. Peter Angiers at Dartford recently. Mr. and Mrs. Angiers are part of a group called "The Navigators", who have as their motto, "Go Ye and Teach All Nations". Sent under the auspices of the Presbyterian Church of United States, they are presently in Beirut, Lebanon.

Accompanied by Mrs. V. Hagerman, the hymn "In Christ There Is No East or West" was sung.

Mrs. D. Heath presided over the business session. The roll call, "Your Maiden Name and Your Mother's", was answered by fifteen members and visitors. There were also two small children present.

The June meeting will be held at the home of Mrs. L. Hagerman. The ladies are reminded of the U.C.W. School to be held at Albert College, Belleville, June 21st to 23rd. The Executive Officers will serve at the Senior Citizens' Club next week.

Coffee and cookies were served and a social half hour was enjoyed. Mrs. L. Hagerman moved a vote of thanks to the hostess and the program committee.

Celebrate Golden Wedding

Over three hundred relatives, friends and neighbours gathered on Saturday, May 11th at Sentinel Orange Hall, Petherick's Corners, to celebrate with Mr. and Mrs. Ernest Irwin their golden wedding anniversary.

Mr. Irwin, the younger son of the late Wm. L. Irwin and Mrs. Irwin, has spent his entire life in the Rylstone community, on the 10th Concession of Seymour East.

Mrs. Irwin was the former Lillian MacMullen, younger daughter of the late Fred J. MacMullen and Mrs. MacMullen, of Campbellford.

They were married at the Presbyterian Manse in Campbellford May 8th, 1918, by Rev. C. F. MacIntosh. The attendants were her brother and sister, Mrs. Effie MacDonald and James MacMullen, both deceased.

Following their marriage, Mr. and Mrs. Irwin located on the groom's farm, near Rylstone, where they still reside.

The couple have three children, Mrs. Thos. (Isabel) Wallace, of Peterborough; Elwood and Clair Irwin, both of Campbellford. There are five grandchildren, Judith and Sue Wallace, Denise, Ray and Nancy Irwin.

Both are enjoying reasonably good health and are keenly interested in all community and church activities. They are members of Zion United Church. Mrs. Irwin is one of the only charter members of Rylstone Women's Institute who has been a continuous member since its beginning in 1924. She has also served in the District and Provincial Institute. She is also a member of Lady McGill LOBA and Crystal Chapter, Havelock.

Mr. Irwin is a charter member of Sentinel Orange Lodge. He has also been a director for many years on the Seymour Agricultural Society.

Both have been associated with the Progressive Conservative Association locally and through the county organization for many years.

Hall Tastefully Decorated

The Hall was tastefully decorated in suitable colours for the occasion. A beautiful three-tiered cake graced the table, covered by lace tablecloths, crocheted by the bride's mother many years ago. The cake was decorated by Mrs. Earle Trumble.

Tea was poured during the afternoon and evening by Mrs. Laura MacMullen, Mrs. Emma Redden and Mrs. Mabel Dewey, Mrs. Malcolm McKenzie, Mrs. Harlan MacMullen, Mrs. Carl Owens, Mrs. Art Reid, Mrs. Ross Taylor and Mrs. Chas. Stewart.

Misses Judith and Sue Wallace, Marian Craighead, Jane Cowell, Mary Anne MacKenzie and Lauren Denison served the guests.

The luncheon was prepared by neighbours and members of Rylstone Women's Institute.

Reid assisted the guests and looked after gifts. Mrs. Don Brees, Westport, Mrs. Harold Haskin and Mrs. Chas. Stewart, were responsible for the registration of guests; while Mrs. Malcolm MacKenzie and Mrs. Tom Wallace (daughter of the honoured couple), greeted the guests at the door.

Many Gifts Received

Many beautiful gifts, cards and floral arrangements were received. Among them was a beautiful dinette suite from their family and two lovely swivel rockers and cushions from neighbours and friends in the community.

Telegrams and letters of congratulations were received from Governor General and Mrs. Roland Michener; Prime Minister Pierre Elliott Trudeau; Ontario Prime Minister Hon. John Roberts; Hon. George S. Hees and Mrs. Hees; Rt. Hon. John Diefenbaker and Mrs. Diefenbaker.

A scroll was received from the Government of Ontario and presented by the local member for Northumberland, Mr. Russell Rowe, MPP.

The community has been fortunate in having such a worthy couple as residents for the past fifty years, and any worthy project was always certain of a helping hand from "Ernie and Lil". All join in wishing them many more years of health and happiness together.

Stirling Hort. Society

(By Mrs. Percy MacMullen)

On Monday evening, May 13th, Mrs. Ed. Warren was hostess for the monthly meeting of Stirling Horticultural Society, with an attendance of forty-four.

Mrs. Floyd Armstrong, President, opened with The Lord's Prayer and Gardener's Prayer. Mrs. Raymond McConnell gave the minutes and correspondence.

Mrs. Grant Hubble reported a very successful sale of plants on Saturday, May 11th, which amounted to \$35.00. Over one hundred dollars has been spent for trees. The Flowering Crab trees have arrived and are available to the winners in the draws.

Mrs. Harry Waite gave a resume

of cards mailed to shut-ins, sick and bereaved.

The programmes for the Festival of Flowers, to be held Wednesday, June 19th, 7.30 p.m., in St. Paul's United Church, were distributed.

A voluntary group will plant the flowers in the various parks on May 23rd.

One hundred membership stubs were placed in a box and ten winners were awarded crab trees.

Old plastic flowers would be appreciated to arrange flower boxes on the bridge.

Assistance is needed to set up tables for the flower show. The group will meet at the Church on Tuesday evening, June 18th. The school children will be given seeds to plant for the Fall Fair.

The president gave a resume of the growth of various trees and shrubs in the Village.

Mrs. Dennis Armstrong read an article written by James Nathan Miller, which gave six special hints on how to succeed at gardening, while working less and spending less. It stressed spraying the plants early and planting good recommended varieties. Common sense is needed along with a green thumb.

Mrs. Grant Hubble reported on a recent meeting at Brighton and gave some special tips re flowers and gardening. When buying "Raid", be sure to get "House and Garden Raid" for your plants, and watch the label.

It was announced that one of the men in the village has donated approximately 350 tulips to the Society for planting next Autumn in Coronation Park.

Mr. and Mrs. Ed. Warren showed a large selection of scenes depicting flowers, apple blossoms, tulips, local views and visits elsewhere. They also showed some of Mrs. L. Bronson's colourful pictures.

Five ladies in the group won prizes by numbers which the president distributed. They were Mrs. Ivan Caldwell, Mrs. Ted Reynolds, Mrs. W. Vardy, Mrs. C. Montgomery and Mrs. R. McConnell.

The hostess and refreshments committee, Mrs. R. Rose, Mrs. L. Bronson, Mrs. N. Flindall and Miss Rosa Spry, served muffins and cheese. At the close of the social hour, Mrs. H. Clarke voiced appreciative thanks.

How To Cook A Husband

From an old Maine Cook Book

A good many husbands are spoiled by mismanagement. Some women keep them constantly in hot water; others in them freeze by their carelessness and indifference.

Some keep them in a stew by their irritating ways, others roast them. Some keep them in a pickle in their lives.

It cannot be supposed that any husband will be tender and good managed in this way, but they are really delicious when properly treated.

In selecting your husband, you should not be guided by the silvery nor by the golden tint, as if you were buying salmon. Be sure to select him yourself, as tastes differ. Do not go to market for him, as the best wares come to your door. It is far better to have none, unless you patiently learn how to cook him.

A preserving kettle of the finest porcelain is best. See that linen you wrap him in is nicely washed and mended, with the required number of buttons and strings nicely sewed on. Tie him in the kettle with a strong silk cord, called comfort, as the one called Duty is apt to be weak, and he is apt to fly out of the kettle and be burned and crusty on the edges; since like crab and lobster, you have to cook him alive.

Make a clear, steady fire out of Love, Neatness and Cheerfulness. Let him go as near to it as seems to

agree with him. If he sputters and frizzles do not be anxious; some husbands do this till they are quite done. Add a little sugar in the form of what confectioners call Kisses, but no vinegar nor pepper, on any account. A little spice improves him, but must be used with judgment.

Do not stick any sharp instrument into him to see if he is tender. Stir

him gently, watch the while lest he lie too flat and too closely to the kettle and so become useless. You cannot fail to know when he is done. If treated thus, you will find him very digestible, agreeing with you and the children, and he will keep as long as you want, unless you become careless and set him in too cool a place.

HOLIDAY

2½ hours of light and entertaining music and conversation is broadcast every Sunday evening on the CBC radio network. Here, HOLIDAY's two hosts, Wally Koster (left) and Larry Palef (right) soak up some 'atmosphere' on Wally's farm. The two other characters in the photo have not, as yet, been assigned positions on the show.

Chatterton W.I.

The May meeting of Chatterton W.I. was held at the home of Mrs. Wm. Dixon with seventeen ladies present.

The President opened the meeting with the Institute Ode, followed by the Mary Stewart Collect. The roll call, Problems in Your Garden, was well answered and a discussion followed.

Mrs. Carson gave a most interesting report from the 20th Annual Ontario W.I. Officers' Conference in Guelph.

The meeting was turned over to the convenor, Mrs. Bruinsma. Mrs. Helen Reid gave a reading "Are All Children In". Mrs. Clayton Reid gave an agricultural item on the care of milk.

Mrs. Bruinsma gave items on Agricultural products from the consumers bulletin. Mrs. Gulliver gave an item on milk production in the tropics.

Cups and saucers were presented to five members who had attended all the meetings last year.

Mrs. Carson conducted an Agricultural contest.

A sale of plants and bulbs was auctioned off. The hostess and assistants served a dainty lunch.

St. James C.W.I.

The May meeting of St. James C.W.I. was held in the Recreation Rooms on May 9th.

The meeting opened with prayer led by Rev. J. F. McGarvey.

The annual C.W.I. Convention is to be held on May 25th and 26th at the Sun Valley Motel in Belleville. Mrs. Roy LaChappelle and Mrs. J. R. Donohoe will attend.

Seventeen candidates from Frankford and Stirling Parishes will be confirmed on Sunday, May 26th.

Final arrangements were made for a bus trip to Ottawa, sponsored by the C.W.I.

An invitation was extended to attend a Cathetical Day in Kingston, on June 1st.

A letter of correspondence was read from Mrs. Kennedy, convenor of Guides and Brownies.

Members were reminded that dues are now being collected.

Mrs. J. Ryan read an article entitled, "Mothers Were Once Daughters", and conducted two contests.

Father McGarvey closed the meeting and lunch was served by Mrs. Roy LaChappelle and Mrs. J. Ryan.

Mt. Pleasant U.C.W.

On Thursday evening, May 16th, the members of Mount Pleasant United Church Women entertained several guests from various points with over sixty ladies in attendance.

Mrs. Burton Sharpe opened the meeting with a short message, prayer and a welcome to all. Mrs. Mac Sharp gave a quiet piano selection to the meeting and accompanied the hymns.

Mrs. Harry McAdam presented her report and for roll call, each member introduced her guests.

Mrs. Grant Hubble read messages of thanks and an invitation to Spring Brook U.C.W. for June 6th.

Mrs. Herbert Smith, convenor of the March and April group, gave a resume of the expenses of two weddings and the receipts. Mrs. James Hoard gave the financial report and the allocation has been paid for this quarter.

The President read messages of thanks from The Fred Victor Mission and The Street Haven Home for Girls for clothing which they received. She also read a message re the U.C.W. Conference in June at Albert College. Fifteen dollars was voted to assist one or two delegates with their expenses if anyone volunteers to attend.

Mrs. William McAdam and Mrs. Ira David were in charge of the program. The devotional was based on Friendship, Love and Family. Mrs. McAdam read a poem and all sang, "Happy The Home". Mrs. Don Johnson read the Bible Lesson. Mrs. Grant

Hubble gathered the offering and Mrs. David read a meditation on the theme "Love Never Bargains".

Mrs. Alton Hadley entertained with a travelogue and pictures of their recent trip to Japan. The colourful scenery, portrait pictures of the people and children in that land as they went about their various duties and the very lovely floral pictures were all enjoyed. The convenor voiced thanks and made the presentation of a gift. She also read two selections.

Mrs. Robert H. Hoard contributed a vocal selection with Mrs. Kenneth Weaver as accompanist.

The May and June group served a variety of sandwiches and relishes and all enjoyed a social half hour.

Mrs. Arthur Pyear voiced thanks to the Mount Pleasant members on behalf of all the visitors in attendance.

Minto

(Mrs. Lindsay Tanner)
(Held over)

Mr. and Mrs. Orval Jackson are spending a week in Toronto visiting relatives.

Mr. and Mrs. Fred Bateman, of Stirling, spent Sunday evening with Mr. and Mrs. Lindsay Tanner.

Mr. and Mrs. Wilbur Bateman and family, of Tweed, were Mother's Day guests of Mr. and Mrs. J. B. Hagerman.

Mrs. Stanley Keller and Bill were dinner guests of Mr. and Mrs. Don Keller, of Belleville, on Sunday and visited Mr. Keller in hospital.

Recent visitors of Mr. and Mrs. Orval Jackson were Mr. and Mrs. Cecil Hubble and Mrs. Celia Weese, of Foxboro, and Mr. and Mrs. Percy Rollins, of Belleville.

Mr. and Mrs. Richard Fleming, of Crookston and Mr. and Mrs. Harper Bateman, of Spring Brook, called on Mr. and Mrs. Phil Vance, on Sunday evening.

Mr. and Mrs. Ern. Broadworth are proud grandparents of a baby girl born to Mr. and Mrs. Bob Elliott, of London. Mrs. Broadworth is spending this week at the Elliott home.

Mr. and Mrs. Ross Saries, Frankford, and Mr. Harold Saries, Toronto, spent Sunday with their parents, Mr. and Mrs. Ivan Saries.

Mr. and Mrs. Dick Goldthorpe and girls, of Toronto, spent the week end with her parents, Mr. and Mrs. Frank McGee.

Mr. Grant Hagerman and Mr. and Mrs. Glenn Hagerman, of Stirling, spent the week end with Mr. and Mrs. Joe Hagerman, of Oshawa.

Another Cub Yarn

For the first time this year, we opened in the backyard of the High School. After the usual opening exercises, Akela, Raksha, Baloo, Hawk Eye and Kim put the boys through a practice session of the Annual Field Day events.

Parents, some of the boys are a little weak in some of the requirements so here's a chance to work out with your Cub and get him in shape.

By the way, field day this year is on Saturday, May 25th, at Cloyne. Don't forget to come along and watch your boy if you're able. A word of advice: bring along an insect repellent.

At dusk, everyone went up to the gym for the closing. We practised some songs that we'll be whooping up at Cloyne, along with all the Cubs that will be there that day.

Robbie Jones, Bruce Weatherell and Paul Svoboda had passed all the requirements for the Blue Star and were presented with these by Kim. Those Cubs who haven't your gardener's badge - how about putting in a small plot now? Remember, boys, you can still work toward badges in the summer. Just get in touch with a leader so that you can be passed on what you've done.

Wellman's

(Mrs. Victor Graham)
(Held Over)

Mrs. Charlie Bailey, of Carmel, spent Monday evening with Mrs. Charles Dunham.

Mr. and Mrs. Gary Rowe and boys of Petherick's were supper guests on Friday evening with Mr. and Mrs. Roly Jackson and children.

Mrs. Helen Hutcheon, of Toronto, spent the week end with Mr. and Mrs. Walter Scott.

Mrs. Charles Dunham was a dinner guest on Tuesday with Mr. and Mrs. Clarence Dunham.

Miss Freda Graham, of Toronto, spent the week end with Mrs. Victor Graham and Eleanor.

Mr. and Mrs. Reg. Dunham and children, of Tweed, visited Sunday with Mrs. Charles Dunham.

Mr. and Mrs. Harry Keating, Harry and Marguerite, of Marmora, were supper guests on Sunday of Mr. and

Mrs. Jack Sharp and family.

Mr. and Mrs. Ed. Colby, Donna and Dennis, Mr. and Mrs. Allan Lake, and Maryanne, were supper guests on Sunday of Mrs. Everett Maybee and Don.

Mr. and Mrs. Jim Maidment, Port Hope, were supper guests on Saturday with Mrs. Charles Dunham.

Hastings West Women's Institute

The 67th Annual Meeting of the Hastings West District Women's Institute was held at Scott's United Church Hall, Sidney, on Thursday, May 9th, with approximately 100 in attendance.

Registration was in charge of Mesdames Harold Frost and Morley Sine with Mrs. Carman Frost as receptionist.

Reciting the Ode, Mary Stewart Collect and the singing of "O Canada" opened a very interesting day's programme with Mrs. Gerald Irvine, District President as chairlady. The guest speakers, Mrs. Rex Rollins, Provincial Board Director, and Mrs. Walker, Area President, were introduced by Mrs. Roy Tucker.

Ratification of District Directors was conducted by Mrs. Rex Rollins. President's Report and reports of various standing committees served to arouse enthusiasm and keen interest in the work for the upcoming year when "International Human Rights" will be observed and stressed.

Mrs. Rex Rollins reported various aspects and points of interest from the Guelph Conference.

A 20 branch increase in membership was gratifying. Donations and support for Macdonald Institute at Guelph could be a worthy project for 1968-69.

The "Study of Human Rights" at the International level and celebrating of International Day on December 10th each year, was announced. The report from Guelph Conference by Mrs. Vernon Harry, District Secretary-Treasurer, was on the theme, "No Man Is An Island Unto Himself" and gave very many pointers such as studying our handbooks, recruiting new members, honouring our status as women, and practising our fran-

chise. Rural living is being demolished and if we disagree with the government, we put it there. Exercise our franchise; stand up and be counted.

A presentation to Mrs. Roy Bush for 63 years' continued community service, consisted of the Institute emblematic cup and saucer.

It was stated "Baking With Yeast" was the best short course as yet taken in the Branches.

The collection for "Pennies for Friendship" was \$87.21.

Mrs. Walker gave pointers to follow, namely: Improve home living, develop leaders, develop community life. Women's Institute pay more calls, become better educated, never to be made a raising money project and lastly broadcasting the Women's Institute motto, "For Home and Country", then practise it.

VERY LATEST IN FRONT-END ALIGNMENT

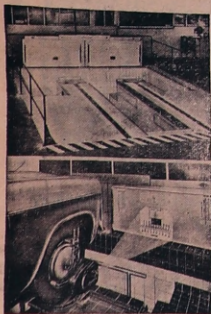

One of the major problems on all cars today is keeping the front end of the car properly aligned, so that on today's modern high speed highways, undue amount of tire wear is not experienced.

Front-ends are easily knocked out of adjustment by bumping against curbs, hitting potholes and sudden stops. According to statistics, over 50% of the cars on the road today have front-ends which need realignment.

Recognizing this problem, we at Stirling Motors Ltd., have just installed the very latest in front-end alignment and wheel balance equipment. This is a new electronic machine called OPTOFLEX. The camber, caster, load change and king pin inclination are read directly from an enlarged picture photographed on a screen. This shows the correct adjustments which can easily be made.

We believe that this machine, along with our new off-the-car wheel balancer, representing an investment close to \$5,000.00, will provide Quinte district motorists with the finest in front-end equipment.

We invite you to make an appointment to have your car checked now before summer driving begins.

Pine Grove W.I.

The May meeting of Pine Grove Women's Institute was held at the home of Mrs. Leslie Finkle, Belleville, with the new President, Mrs. Don Irish, in the chair. The meeting opened with the Ode and Mary Stewart Collect.

The President welcomed the visitors and thanked Mrs. Finkle for opening her home for the meeting.

The roll call, "What Effect Advertising Has On Our Children" was answered and the business dealt with.

The programme was in charge of Mrs. Alex Tanner, Public Relations Officer, who gave a few highlights of the District Annual and a reading "Father's Day". She called on Mrs. Albert Carson, of Chatterton Institute, who gave what she thought was the highlights of Officers Conference in Guelph.

Mrs. Tanner introduced Mrs. Gerald Irvine, District President, who spoke on the North West Territories where Mrs. Eadie has been so active in starting new Institutes.

Mrs. Tanner thanked Mrs. Irvine and Mrs. Carson and conducted a contest.

The meeting closed with the Lord's Prayer and the Institute Grace. Lunch was served by the hostess and her daughter, Lynda. A social half hour was enjoyed by all.

The next meeting will be held at the home of Mrs. Ivan Clare.

New Post Office Planned For Town Campbellford

The Federal Government has authorized the purchase of property at Bridge St. and Doocey Ave., in Campbellford, on which to construct a new Federal Building, it was announced on May 17th by Russell C. Honey,

candidate in the riding of Northumberland-Durham.

Mr. Honey said the new building will be in the \$180,000 range and will house the Post Office and other government departments.

The Government will shortly retain architects to prepare the preliminary design for the new building, Mr. Honey said. — Campbellford Herald.

Alan Cooke Gives Message At St. Paul's Church Youth Service

On Sunday morning a large congregation was present to witness the Youth Service at St. Paul's United Church.

Rev. J. Bruce Small conducted the impressive service of worship. Several numbers, by the Stirling Public School Choirs, under the direction of Mrs. Craig Watson, were much enjoyed. Scripture readings were given by Miss Jane Bush and Lloyd Clancy.

Alan Cooke Gives Address

Alan Cooke, son of Mr. and Mrs. Dan Cooke, Stirling, R.R. 2, and a student at Centre Hastings Secondary School, Madoc, gave the address, using as his theme "It Can't Happen Here". He commenced his message by saying: "God made the world and all things therein; and hath made of one blood all nations of men for to dwell on all the face of the earth."

He referred to the race riots in the United States last summer. We sat back shaking our heads and muttering: "The U.S. is really in a mess. You'd think the negroes and whites could learn to live side by side. I'm glad I live in Canada where we don't have racial tensions and discrimination. I'm sure glad it can't happen here!"

Unfortunately, it can and will happen here. We are no different. Our problems are on a small scale only because the racial minorities are very small in comparison with the total number of Canadians.

What, as Christians, can we do concerning racial unequities? Jesus said: "Thou shalt love thy brother as thyself." All too often we think we are totally innocent of racial prejudices. This is false. For if we examine ourselves, we realize that, at some time in our life, we have felt uncomfortable in the presence of a different race. In the eyes of God, all men are equal.

Alan referred to hypocritical Christians. They attend church, worship God; then turn around and protest against integration of their neighbourhood or schools.

But the Bible says: "If a man say I love God and hateth his brother, he is a liar; for he that loveth not his brother, whom he has seen, cannot love God, whom he hath not seen."

We can all learn a lesson from the parable of the Good Samaritan. If we study this parable carefully, we can see how we should regard our fellow-man.

In closing, he quoted a statement issued by the World Council of Churches: "Where oppression, discrimination and segregation exist, the churches should identify themselves with the oppressed race in its struggle to achieve justice. Christians should be ready to lead in this struggle."

Are we ready?

Ordained

REV. E. GORDON APPS

was ordained into the United Church ministry on May 15th. He was born in Cannington, Ont., and educated at Cannington Public and Continuation School, Lindsay Collegiate and Baker Business College, Lindsay.

Prior to entering college to study for the ministry, Mr. Apps was employed by Standard Brands Ltd., as branch manager of their institutional division at Peterborough and then was transferred into sales promotion work for the same company.

Mr. and Mrs. Apps resided in Peterborough for fifteen years before moving to Spring Brook where Mr. Apps has served as student minister for the past four years. They have one daughter, Lorri, who attends Stirling-Rawdon District High School. On July 1st, they will be moving to Sharbot Lake.

Rev. Apps received his Bachelor of Theology Degree on May 24th from Queen's University.

Bereft of Brothers

Sympathy is extended to Mrs. Blanche Reid, of town, in the loss of two brothers, Albert Kingston and George Kingston, both of Belleville, during the past ten days.

More History West Huntingdon Post Office

Further to the article on the closing of West Huntingdon Post Office last week, we have learned that Mr. Archibald Adams, in 1877, purchased the property from Mr. Arthur Bailey. At that time, the mail was conveyed from Belleville to Ivanhoe by stage coach. At a later date the mail came by train and Mr. Adams took the mail from the train to his office and continued until his death in 1927. Mr. Ashley took over on or about October, 1927, and operated the office until 1959 when it has been run by Mac Searles until it was closed out on May 15th of this year, to become part of R.R. 2, Stirling.

Mr. and Mrs. Bert Cook Celebrate 25th Anniversary

Mr. and Mrs. Bert Cook recently celebrated their silver wedding anniversary at the home of Mr. and Mrs. Roy J. Andrews and family, of Long Branch. Friends and relatives were present from Ottawa, Combermere, Stirling, Hastings, Keswick, Toronto, Mimico, Weston, Bramalea and Milton.

Their daughter and sons previously entertained their parents at dinner at the Havelock Hotel where during the evening they were pleasantly surprised by being presented with a beautifully decorated Anniversary cake.

Engagement

Mr. and Mrs. Fred Andrews, R.R. 4, Stirling, Ontario, wish to announce the engagement of their daughter, Donna Marie, to Rosario Tiano, son of Mr. and Mrs. Carmine Tiano, of Toronto, Ontario. The marriage will take place at St. Catherine of Siena Church, Toronto, Ontario, June 22nd, 1968, at 12.15 p.m.

Local Square Dance Group Graduation

Fifty-eight square dancers from the surrounding districts and Stirling attended the graduation exercises of the "Stirling Swingers", the local Square Dance Group. Dancing was enjoyed by all and during the evening, visitors were asked to pick out the most attractive hats being worn for the occasion, with the awards going to Patricia Merrill and Bruce Stapley.

Thirty-eight ladies and gentlemen received the "Bachelor of Square Dancing Degree" and an honorary degree was conferred on Teresa Annette Bennett, infant daughter of Lois and Glenn Bennett, Glen Ross. This graduation diploma entitles them to join an advanced square dance group, having completed 37 weeks of modern square dance instruction from Ivy Lauren, caller from Trenton, assisted by her husband, Phil.

A very enjoyable evening came to a close with everyone partaking of individual boxes of Kentucky Fried Chicken. A large birthday cake was presented to Ivy, as her birthday was the previous day. Also, she received a square dance cape, a lovely green glass bowl and candle holder set and a corsage.

Spring Horse Show Sunday

The Hastings County Riders will present their annual Spring Horse Show on Sunday afternoon, June 2nd. The meet will be held at the Stirling Fair Grounds.

The events to be put on include barrel, western pleasure class, pole bending, reining class, flag pick-up, English pleasure class and trail class.

In each event, the riders will have to count on their skills, manoeuvring their horses, as well as the speed of the animal.

It is hoped the event will promote riding interest among area residents. The public is invited to attend these games.

62nd Anniversary

Congratulations are extended to Mr. and Mrs. Arthur Hulin, Church St., who will quietly celebrate their 62nd Wedding Anniversary on Thursday, May 30th.

Confirmation At St. James

On Sunday, May 26th, the Church of St. James the Minor was the scene of a very impressive ceremony when the Sacrament of Confirmation was administered by the Most Reverend J. L. Wilhelm, J.C.L., D.D., Archbishop of Kingston.

Seventeen children and six adults from Stirling and Frankford parishes were confirmed.

After discussion by the Archbishop of the gifts of the Holy Spirit and the benefits obtained through this Sacrament, the boys, in red robes, and the girls, in white, proceeded to the altar railing for Confirmation.

Reverend J. F. McGarvey, Pastor, was also present in the sanctuary.

O.P.P. Report MADOC DETACHMENT

During the week of May 19th to May 25th, officers of the Madoc Detachment of the Ontario Provincial Police investigated 45 occurrences; 3 break and enters; 2 thefts; 3 requests for assistance and 38 miscellaneous occurrences.

There were 6 motor vehicle accidents, all of a property damage nature with no injuries reported.

Eighty-four vehicles were safety-checked, 79 traffic warnings handed out, and 38 charges laid under authority of the Highway Traffic Act of Ontario.

Sixteen hours were spent in Magistrate's Court, Madoc, with Magistrate R. C. Jackson registering 41 convictions.

Stirling Brownie and Guide Mother Daughter Banquet Well Attended

The Brownies and Guides, their mothers and the Local Association enjoyed a delicious banquet Monday night at St. Paul's United Church. There were 83 girls, mothers, leaders and guests in attendance.

During the evening several presentations were made. The Brownies presented Miss Ann Morton with a Brownie World Pin in recognition of all the help Ann had given them during the year. The Local Association presented Mrs. Robt. Crossman with a Guide Thanks Badge in recognition of all the work she had done in her three years as Guide Lieutenant and then Captain. Several Brownies and Guides won badges and other awards. Among them were: 3 Brownie Perfect Attendance prizes for Cheryl Burns, Lynn Burley and Tammy Fairies; the Guide Best Patrol, Judy Cooke, Kelly Dobson, Janet Wood and Laurie Glover; and a special prize for selling the most boxes of Guide cookies went to Susan Wright. The Brownies had many other prizes presented. A list of these will appear in the newspaper later.

Following the presentations, we enjoyed a film entitled "Trefoil on the River". This film was made at the actual Girl Guide "Heritage Camp" at Cornwall, Ontario, in 1967. It was a world camp and so we were able to see Guides from many different countries, each in her own native dress, communicating, trading, performing, working and playing with Guides from our own and other countries. It was indeed inspiring. When we see young people from all countries getting on so harmoniously together, we wonder what happens to our international relationship when we grow up.

After the film, the District Commissioner, Mrs. Bruce Glendinning, made several announcements, including the Area Guide and Scout Parade in Foxboro on June 9th at 2.00 p.m.

Mrs. Glendinning also asked for and received volunteers for a parent's committee to help out in the Fall. Announcements of the Annual Fall Meeting will be sent at a later date.

At this time the Brownies and Guides each presented a short but appropriate programme. Then the Colours were marched off and the evening ended with Brownie and Guide Taps.

Attend Convention

Mrs. Roy LaChapelle and Mrs. Jack Donohoe, from St. James' C.W.L. and also Mrs. Ray Burley, Spiritual Convener for the Archdiocese Executive, Kingston, attended the 46th Annual Convention at the Sun Valley Motel, Belleville, on May 25th and 26th. Other members attending the Convention banquet on Sunday evening were Rev. J. F. McGarvey, Mrs. Joe Forrestell, Mrs. Jack Doran, Mrs. Gerald Finnigan, Mrs. Anne Lagrow, Miss Delia Descent, Miss Alice O'Donnell.

Horse sense behind the steering wheel is better and more important than horse power under the hood.

Graduates

TED REID

son of Mr. and Mrs. Percy Reid, R.R. 2, Campbellford, received his diploma at the graduation, May 22nd, at War Memorial Hall, University of Guelph.

Ted is now employed with Canada Packers, Ltd., Toronto, Ont. He received his public school education at 9th Line School, Rawdon Twp., and his secondary education at Stirling-Rawdon District High School.

Bereft of Mother

Sympathy is extended to Mrs. Geo. Searles, R.R. 2, Stirling, in the loss of her mother, Mrs. Albert Reid. The service was held at Trinity United Church, Madoc, on Monday afternoon. She is also survived by Mrs. C. Bamber, Foxboro; Oria and Kenneth Reid, of Madoc; Gordon and Carl Reid, Belleville, and Glen Reid, Ottawa.

WEDNESDAY MAY 29th, 1968

St. Paul's UCW "Faith" — Unit Four

A rainstorm did not prevent members of this Unit from attending their May meeting, held in the Church parlours on May 21st. Miss Mildred White, as hostess, greeted the ladies on arrival. Mrs. George Carlisle, President, suitably opened the meeting with a helpful thought and the use of hymn 16. Pianist was Mrs. H. West.

As usual, the business of the month was conducted first, with minutes read by Secretary, Mrs. V. Richardson, who also, in the absence of the

Treasurer, Mrs. J. Hough, reported on finances.

Roll call, by Mrs. A. Brooks, showed an attendance of 25.

Reports by Secretaries were as follows: Mrs. E. Warren, for Social functions, discussed catering for the Mother and Daughter banquet for Guides, and promises were made for supplying food and assistance. Mrs. M. Aythart, Supply Secretary, announced the sales of good used clothing and nylons would be packed on Wednesday, May 29th. School for Leaders, formerly held each year at Whitby Ladies' College, will be held this year in Albert College, Belleville, June 21-22-23. Miss Lenora Williams was chosen as delegate. The General

U.C.W. will meet June 3rd. An invitation came from Spring Brook U.C.W. to attend their tea and bake sale on June 6th. Mrs. D. Luey's resignation from the Department of Community Friendship was accepted with regret that she is soon to leave Stirling. Her service in this work has been outstanding and greatly appreciated. Plans are already underway for the Annual Bazaar in November.

The Worship Service was conducted by Mrs. N. Flindall, leader of the May group, with Mrs. E. Warren and Mrs. S. Elliott assisting. The Bible Lesson from Matthew 9: 31-35, was read by Mrs. Elliott, with comments

by Mrs. Warren. "The Gift of Speech" was the theme, introduced by Mrs. Flindall. As we daily meet our family and friends, how plain is our speech? Do we voice frustration instead of praise? Is it a language of love — plain and warm to the lonely and discouraged? May God forgive our complacency.

The offering, gathered by Mrs. L. Thompson and Mrs. H. Wells, was dedicated by Mrs. Flindall.

Mission Study

With Mrs. M. Aythart as "Story Teller", this study was most interesting as it told of the life of two Christian Japanese, a woman of courage and a country-town minister. The woman of courage was named Kimiko Wakao. Born of Christian parents, she was, at the age of 9 years, put in the Toya Ewa Girls' School, founded by the Woman's Missionary Society of Canada. Being a clever girl, she continued through High School and College to become matron of the School, with its hardships and success through the years of war and turmoil, her generous heart ever listening to the cries of all children who needed sympathy and love and opportunity.

The country-town minister was Kogi Nano, born in Nirazaki, also of Christian parentage and the story was of his struggle to become educated for the ministry and his wonderful contribution as minister at his home church ever since 1952.

After closing the meeting, Mrs. Carlisle invited all to remain for a cup of tea. Appreciation was voiced by Mrs. R. Duffin.

Jehovah's Witnesses To Attend Assembly

Jehovah's Witnesses from Stirling will travel to Peterborough on June 21 to attend a Circuit Assembly there, it was announced today.

Walter Lidster, spokesman for the local congregation stated that this will be the last of the smaller assemblies the Witnesses will be holding before they commence their larger assemblies this summer.

"It is anticipated that over 500 Witnesses from 12 congregations will attend the gathering in a Peterboro high school," Mr. Lidster said.

CIAG Insurance Dinner Meeting

The insurance committee of Hastings County Federation of Agriculture held their annual dinner meeting in the Sacred Heart Church Hall in Madoc on Saturday, May 18.

The chairman of the committee, W. Forestell, of Madoc, welcomed about 40 guests and outlined the success of the Co-Operator's Insurance Association and also the reason for changing the name of the Company last year. There has been a large increase in business in Hastings County in the past five years.

Mr. A. Wilson, Claims Supervisor of C.I.A.G.'s Peterboro Division was speaker for the evening, and after a very informative talk on Automobile, Farm Liability, Rural Fire, and Life Insurance answered many questions about insurance mostly on accidents, claims, settlements.

Short addresses were made by Donald Forestell, Charley Fargey, Dan Cayley and Percy Ray.

A social half hour followed the program.

Thinks He's A Car Drank Pint of Oil

BOURNEMOUTH, England — Little Paul Pennington thinks he's an automobile, so when he came home feeling ill recently his mother took him to the local garage for an oil check. Yep-two-year-old Paul had topped himself up with a pint of upper cylinder lubricant.

Now he's in hospital getting drained and the doctors said he should be ticking over smoothly again in a couple of days.

Where Paul found the oil nobody knows. But his engine was in a pretty sticky state when he got home after a spin around the block.

"He just stood at the door covered in oil from head to foot," said Mrs. Anne Pennington, 24. "It was dripping from his mouth. He said he had a tummy ache and wanted to go to sleep."

"I rushed him to the garage because I wanted to find out whether the oil was poisonous. I didn't want to make a fuss if it was harmless. The garage people took one look at Paul and called an ambulance."

Doctors at Christchurch Hospital quickly reassured her that Paul is cranking back to health without the oil.

"What a relief," sighed Mrs. Pennington. "You never know what's going to happen when your son is a car."

The Rexall Drug Store, operated for many years by the late J. S. Morton, has been sold to Mr. Ross Hermiston, of Ottawa.

J. V. Holt, of Toronto, and a former resident of this Village, has purchased a dwelling on Front St. W., belonging to Mrs. Robert Christie.

James Lake, a life-long resident of this district, died Sunday at his home on the third concession of Rawdon. He was in his 69th year.

On Tuesday evening a large number of friends and neighbours gathered at the home of Mr. and Mrs. Karl Sine, of Bethel, in honour of their son, Allan, who has joined the King's forces.

Eva Frances Geen, of Frankford, daughter of Mr. and Mrs. Richie Geen, became the bride of Harry Frederick Hearn, son of Mr. and Mrs. Blake Hearn, Frankford, at St. John's Anglican Church, on Saturday, May 22nd. Rev. C. L. Harding performed the ceremony. Mrs. Harry Morrow played the wedding music.

Standard Bearer

George Cunningham, a 43-year-old Trenton school teacher, was chosen as the Liberal candidate for Prince Edward - Hastings on Wednesday night, May 15, at the Legion Hall in Trenton on the first ballot.

He will oppose Conservative Hon. George Hees, and in all probability a New Democrat.

Mr. Cunningham, a surprise entry said he would spend none of his own money, except for travel, but is willing to give all the time he can to the cause. He has five children and is employed by the Trenton High School Board. He has been granted a month's leave of absence for the campaign.

Ex-Mayor of Campbellford, J. Ayrhart, and William Menzies of Trenton were the other nominees who contested the convention. Frank Folwell, a former member of parliament de-

Mr. Cunningham urged the development of prime agricultural areas and described the "Two Canadas" theme, insisting that all provinces must be subject to the central gov-

ernment at Ottawa.

Mr. Ayrhart in his address said that the most important problem of the day is to bring capital and labour together. Disunity in the economic field is as important as that caused

by radical differences, he claimed.

Mr. Menzies proposed that the government purchase land between Campbellford and Trenton along the river and devote it to the development of a holiday area.

If you're
planning to
modernize
your home,
here's the place
to begin.

Modernizing your home can be a delightful experience. Home improvements can do a lot to help make your way of living better than ever. But before you start to modernize, you should take care of one thing first: your household wiring.

If you begin your modernization programme by re-wiring, almost everything about your home will suddenly seem better. You'll have all the electrical outlets you need. Your appliances will perform better, and you can add all the new ones you're ever likely to need without the annoyance of overloaded circuits or blown fuses. Re-wiring will let you take advantage of the new ideas in household lighting. With decorative exterior lighting you'll be able to enjoy patio living on pleasant summer evenings. You will, in fact, be opening the doors to the joys of all-electric living, including the quiet comfort of electric heating. Start modernizing your home by re-wiring.

Call a qualified electrical contractor or ask your Hydro.

Forum Players Guests At University Club

Members of the Forum Players were the guests at the May meeting of the University Women's club of Belleville.

Members of the group included Mitzi and Mike McLaughlin, Bill

Smith, Sue Brickwood and Steve Hunter, who presented an entertaining group of songs and readings.

Mitzi McLaughlin sang a haunting Israel folk song accompanied by Mike on guitar. Sue Brickwood recited "Etiquette in Church" from the delightful collections of Je. Jigs and Juleps — which for many years captivated readers of the Ottawa Journal.

Steve Hunter gave a reading of

Sarah Bink's "Hi Sooky, Ho Soohy," from Richard Armour's "Through Darkest Adolescence. The evils of smoking were well sermonized by Bill Smith.

MacDonald's Pierre of Tomagami in New York was also done in fine fashion by Steve Hunter who captured the habitant French, made so familiar by Henry Drummond.

To end the program, Miss McLaughlin, accompanied by Mike gave a rendition of Donovan's Genevieve. The group of young people was introduced by Mrs. R. K. Patterson, who is actively involved in the Forum Players.

Mrs. D. Harvie expressed thanks on behalf of the club.

Mrs. R. E. Barrett reported on the success of the Spring Fair and expressed thanks to all members of the club whose co-operation and help made the evening the success it was.

THE BIBLE TODAY

Nearly a quarter of a million Scriptures have already been distributed in the Indian state of Gujarat since the One Million Scripture Crusade

was launched in January. Gujarat with its 25 million population has the second lowest percentage of Christians in India.

The pivot of the campaign's outreach into the state is Ahmadabad, a city of 1½ million people. Its 64 cotton mills produce 25% of India's cloth. The industrial picture of 64 chimneys rising like huge spikes into a drifting smog is offset by the city's beautiful lake, parks and a renowned zoo. Here the campaign to evangelize the state was launched. Forty university and college students will gather in the city at the end of April for a period of training in Scripture evangelism, after which they will travel to all parts of the state to work and witness. Already 11 other workshops have been held in key areas to train local Christians to witness using Scriptures and Christian literature in their sphere of influence.

The Bible Society of India has produced Scriptures with attractive new covers depicting life in the state, and is providing staff to help with the training programs.

Suggested Daily Bible Readings

Hastings North Dist. W.I. 60th Annual

On May 14th, over 100 delegates and visitors from thirteen branches of Hastings North District Women's Institute met in Zion United Church, Petherick's Corners, for their 60th Annual Meeting.

These were registered by Mrs. Stanley Kerr and Mrs. Ellis Jones and welcomed by Mrs. Lindsay Anderson and Mrs. Ernest Irwin.

The meeting was called to order by the President, Mrs. Warren Hill and opened with the Institute Ode and the Mary Stewart Collect. Mrs. Walter Brunton was pianist and Mrs. Murray Melkolejohn was song leader. Mrs. Don Cook, of Ivanhoe, replied to the address of welcome by Mrs. Lindsay Anderson.

Minutes, financial and auditor reports were read and approved.

Mrs. Rex Rollins, the Federated Representative, gave an informative address and conducted the ratification of the District Directors.

Mrs. Gresham, Area President, was present and brought greetings.

The Standing Committees gave their reports and Mrs. Russell Sills, District Secretary-Treasurer, gave some interesting highlights of the Officers' Conference at Guelph.

Dinner was served by the Rylstone W.I. The 60th Anniversary cake was cut by a Past President, Mrs. Carl Clancy.

The Home Economics convenor answered the roll call with a two-minute talk on the theme, "Nothing Is Worth More Than This Day".

The Memorial Service for deceased members since the last annual was conducted by Mrs. Max Hennessy and Mrs. Mahoney from Detlor and L'Amable.

Mrs. Francis Tobin gave an interesting report on "Arda" and Mrs. Clayton Burkitt, District Curator, reported for the Tweedsmuir Histories. Several Tweedsmuir books were on display.

Mrs. Robt. Hall of the Paudash Branch gave a humorous reading.

Miss MacEachern, Home Economist, gave an interesting report of the 4 H Club work. The fall project to be "Featuring Fruit".

Mrs. Percy Carmen, District Repre-

sentative gave the report on "Safety". One resolution was received from the Marmora Branch.

Mrs. S. R. Beatty gave the history of the North Hastings District for the past 60 years.

Collection was gathered by the Marmora Branch.

The Officers for 1968 are:

Mrs. Christy Bailey of the Cooper Branch expressed appreciation and the meeting closed with "God Save The Queen".

cooler weather of early spring. The early April winter there is enough have more time to fill.

Planting-on-the-frost is a new technique that ensures that the barley seeds get an early start. Seeding is done in the last week in March or early April whenever there is enough frost to carry the equipment. The experts advise using two and a half bushels per acre instead of the usual two if you seed on the frost.

Barley responds to top fertility levels. For average conditions about 300 pounds per acre of 16-8-12 at seeding time is about right. If you are looking for more than 60 bushels per acre, this should be followed with an early top dressing of 100 pounds sulphate of ammonia per acre.

Weed control is vital for good yields, especially on early sown barley. Check the weeds expected in your field, and apply the treatment recommended in Ontario Department of Agriculture and Food Publication 75 — Guide to Chemical Weed Control.

Insect control also must be considered. White grubs are not expected to be a problem in 1968 in Ontario, but if June beetles were plentiful in your area last summer you may look for grub damage. Wireworms usually cause damage for the first two years after grass sod. If you treat for white grubs, you'll get the wireworms, too. If not, Liquid Wireworm Seed Treatment, of Benesac Seed Treatment will do the job.

PROFIT IN BARLEY

Barley is no longer the forgotten crop in Ontario that it was a few years ago. Barley acreage in Ontario was 78,000 acres in 1961, but by 1967 it reached 285,000 acres, or almost four times as much. The total is expected to be up again this year.

At average yields, barley outyields oats in terms of total digestible nutrients per acre by a fair margin. It cannot match the yield of a good corn crop but in fringe corn areas it will provide extra feed potential until such time as the corn breeders produce earlier hybrids. And then, too, not everyone has the necessary equipment to grow corn.

There are five key steps to successful barley production. They are: selection of the right variety, early planting, adequate fertility levels, weed control, and insect control.

Herta is the first choice variety for feed barley in all areas with more than 2300 heat units. It is rough awned, but its shorter stem gives it better resistance to lodging under heavy nitrogen fertilization. Both Herta and York, the second choice for feed barley, have some resistance to prevalent strains of mildew.

Earlier planting produces shorter plants that resist lodging better. The plants should stool out better in the

Former District Resident Dies Following Accident

A former district resident, Mrs. Marlene Elizabeth Bunnett, mother of three, died in the intensive care unit of Toronto St. Michael's Hospital Sunday evening, following a car-truck collision five miles west of Peterborough on Saturday night.

Mrs. Bunnett was a front seat passenger in a car driven by her husband that collided with a truck at the intersection of Highway 28 and 7, known in the Peterborough area as "five mile turn".

She received severe head and chest injuries and was admitted to Peterborough Civic Hospital and later transferred by ambulance to Toronto. Her husband escaped with minor

cuts to his face and head. The truck driver, Gordon Keller, of 275 Romaine St., was uninjured.

Mrs. Bunnett was born in Belleville, 27 years ago, the daughter of George Haggerty and the late Mrs. Elsie Haggerty and has been a resident of Peterborough for the past two years.

She spent most of her life in the district and was well-known and highly respected by a wide circle of friends.

She was a member of the United Church and is survived by her husband, Harold James Bunnett, two sons, Bradley Allan and David James and one daughter, Linda Michaelle Bunnett, all at home.

Also surviving are two step brothers, Garry Wright, of Bancroft, Jack Wright, of Stirling, and two step sisters, Mrs. George (Marilyn) Shank, of Toronto, and Mrs. Merritt

(June) Woods, of Glen Ross. Mrs. Bunnett is resting at the John R. Bush Funeral Home with a visitation from Tuesday noon. Funeral service will be held in the chapel on Thursday, May 30th, at 1:30 p.m. Interment will be in Stirling Cemetery. Rev. D. C. MacPherson, of Stirling, officiating.

Council Receives Second Grant \$5000. Arena Renovations

Clarke Rollins, M.P.P., Hastings presented this week to Reeve Don Rodgers, on behalf of the Village of Stirling, a cheque from the Ontario Department of Agriculture in the amount of \$5000.00.

This is the second and final amount earned for monies expended on the renovations at our local arena. This total of \$10,000.00 granted over the past 3 years is 25 per cent of an expenditure of \$40,000.00. The work on the Arena is now almost completed and the appearance of this recreational facility has been much enhanced.

A great deal of credit is due to our neighbouring municipalities for their financial contributions and to the many local and district fans who so freely donated time and money to make this program possible and particularly to Mr. Rollins for his assistance in procuring these grants.

It is hoped that the Arena will continue to serve the area for many more years.

GOOD NEIGHBOURS

Last Thursday, the Senior Citizens were royally entertained and stuffed by the rural United Church U.C.W. of the Bethel-Salem Charge of which Marion Heath is president, and who very capably filled the office of chair lady for the programme.

Marguerite Sine and Nellie Hagerman sang two very pleasing duets which were well received.

Flossie Laycock (a little perturbed because Rev. Cox wouldn't permit her to wear her new mini skirt) gave a very funny reading. She had lots of "get up and go" as she read a poem by the same title. At the conclusion, she looked Fred Heasman and dis ole Scribe in the eye, as much as to say: "Well, your get up and go has got up and went." (No argument).

Della Holden (whose husband was there to see that she wasn't kidnapped) gave an amusing reading also. Margaret Hagerman gave a reading which made us men think perhaps

LITTER LANE

(Darcy Crossman)

When we walk to school each day
We drop our wrappings on the way.
The wind would whirl them 'round
our feet
And pile the litter on the street.

Some paper looks like fluttering
crows
As up against the fence it blows.
One or two look like a hawk,
Gliding down among the flock.

If your garbage lid is tight
No dogs or cats get in at night,
And garbage scattered on the walk
Is bound to make the tourists talk.

Newspaper boys have their routes on
their mind
And often leave string and old paper
behind,
The receptacle is often left empty
and bare,
As the litter they leave flies through
the air.

The gardens of flowers so cheery and
bright
Get smothered in paper 'till near out
of sight,
The beautiful lawns so lovely and
green
When covered with litter can hardly
be seen.

I'm sure you'll agree after reading
this rhyme
If we all work together, in a very
short time,
The town would be lovely and pretty
to see.
All it needs is some help from you
and from me.

Cease to inquire what the future
has in store, but take as a gift what
ever the day brings forth.

Former Resident Retires From Levack Police Force

It was a chance conversation with an Inco pensioner, John E. O'Donnell, in his home town of Stirling, Ontario, back in 1936, that resulted in Burton Conley leaving to seek work with Inco.

Now, some 32 years later, Burt is a pensioner himself, having retired from his job as staff sergeant with the Copper Cliff police force at Levack. Burton won't be repeating the cycle though, by retiring to Stirling — he'll be wintering in Florida and summering at Cartier.

Starting with the Company at Frood mine, he worked underground for a year before transferring to the police force in 1937, and after duty at Copper Cliff and the Copper Refinery, was posted to the three-man Levack detachment the same year.

He was promoted to sergeant in 1947, and to staff sergeant in 1964. "It was a good time and interesting," observed Burt, who has seen the Levack force grow to 13 during his time there.

A Coniston girl, Mary Blakely, became Mrs. Conley in 1938, and the couple have brought up a family of four. Pat is the wife of Levack nipper, Dan Kelly; Marlene is married to Levack driller, Bob Parker; Betty (Mrs. Harry Pascos), lives in Oakville, and Jim, 1, attends grade 12 at Levack high school. Four grandchildren complete the family.

A mobile home in Florida will be the winter residence of the Conleys. "We're in a park that's for retired people," explained Burt. "It's quiet and peaceful, but there's always something going on. In one way it'll be a little like home. I'll be just 10 minutes away from my old boss and friend, retired chief Arthur Runciman."

Summers will be spent in the pleasant northern climate at the home Burt built in Cartier a few years back — Inco Triangle.

The greater the obstacle, the more the glory in overcoming it.

VERY LATEST IN FRONT-END ALIGNMENT

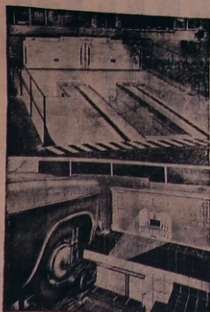

One of the major problems on all cars today is keeping the front end of the car properly aligned, so that on today's modern high speed highways, undue amount of tire wear is not experienced.

Front-ends are easily knocked out of adjustment by bumping against curbs, hitting potholes and sudden stops. According to statistics, over 50% of the cars on the road today have front-ends which need realignment.

Recognizing this problem, we at Stirling-Motors Ltd., have just installed the very latest in front-end alignment and wheel balance equipment. This is a new electronic machine called OPTOFLEX. The camber, caster, load change and king pin inclination are read directly from an enlarged picture photographed on a screen. This shows the correct adjustments which can easily be made.

We believe that this machine, along with our new off-the-car wheel balancer, representing an investment close to \$5,000.00, will provide Quinte district motorists with the finest in front-end equipment.

We invite you to make an appointment to have your car checked now before summer driving begins.
